Don't ever try telling Presley what she should or shouldn't do. She'll usually do the opposite. For example, her new boyfriend didn't like the attention that Presley received from other guys so he suggested that she tone down the sexy clothing. Well...that was a mistake and Presley decided that that a lesson was needed. If he wanted her to strip down, then that's exactly what she'd do. Unfortunately for him, she picked one of the other guys for her little strip show. Enjoy fellas!

# Presley

*Rebel, Rebel...*

It was her body and she was going  
to show it off and use it any way she  
liked. God bless her rebel soul.

The lucky recipient of Presley's oral attention loves her new look. You can't beat naked and on your knees.

She's been going out with her boyfriend for a few months — a few months too many do be without some new meat.

Can you tame the rebel within this girl?  
Why don't you give it a try?

# Luigina

## *From Russia With Lust*

Luigina hasn't been in America for long but she sure has made friends fast and furiously. Originally in the country to study, Luigina discovered there are many things to do that are much more fun, like getting fucked silly by her new housemate and his friends. Doing two guys at once was nothing new to this sexy slut but she figured, new country, new boundaries and as you're about to discover, there's not much this girl won't do.

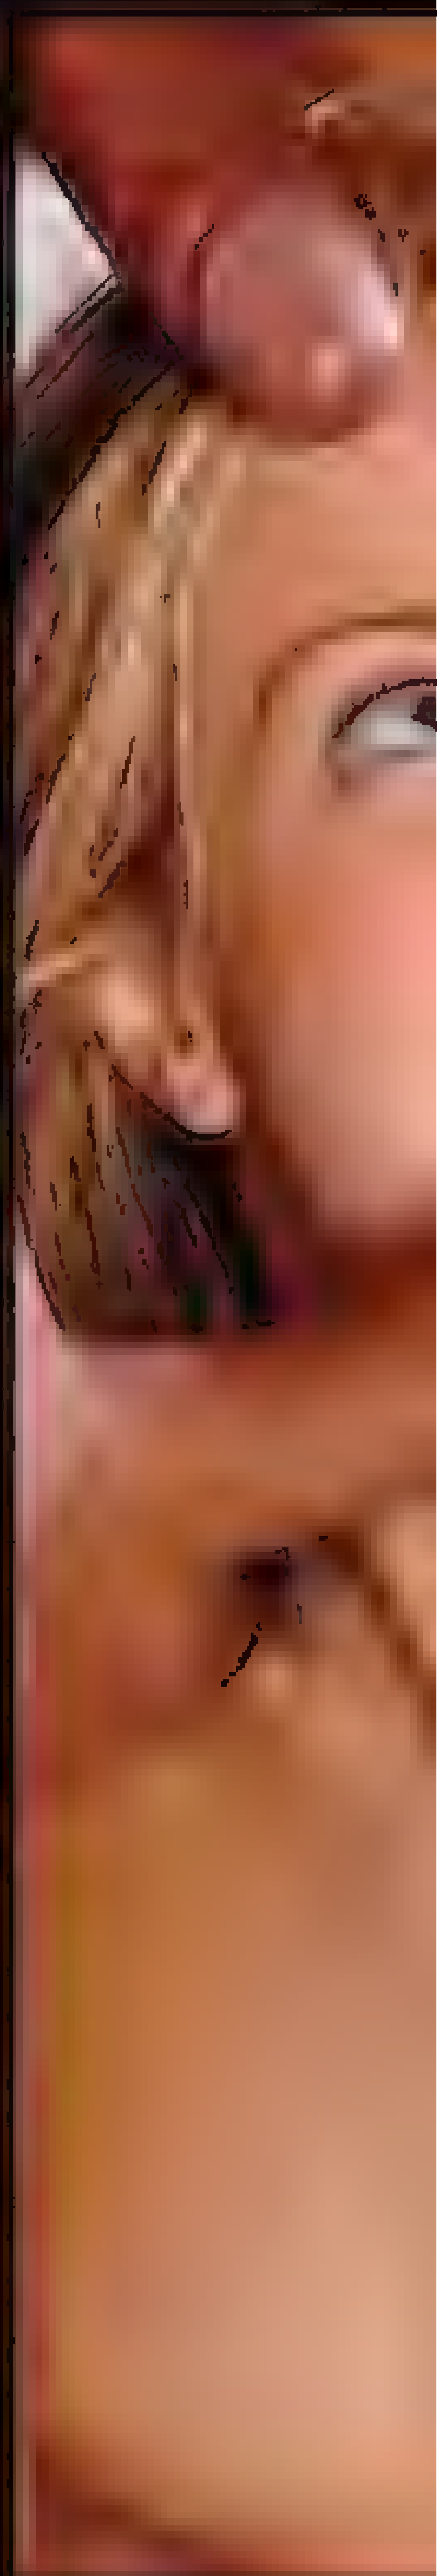

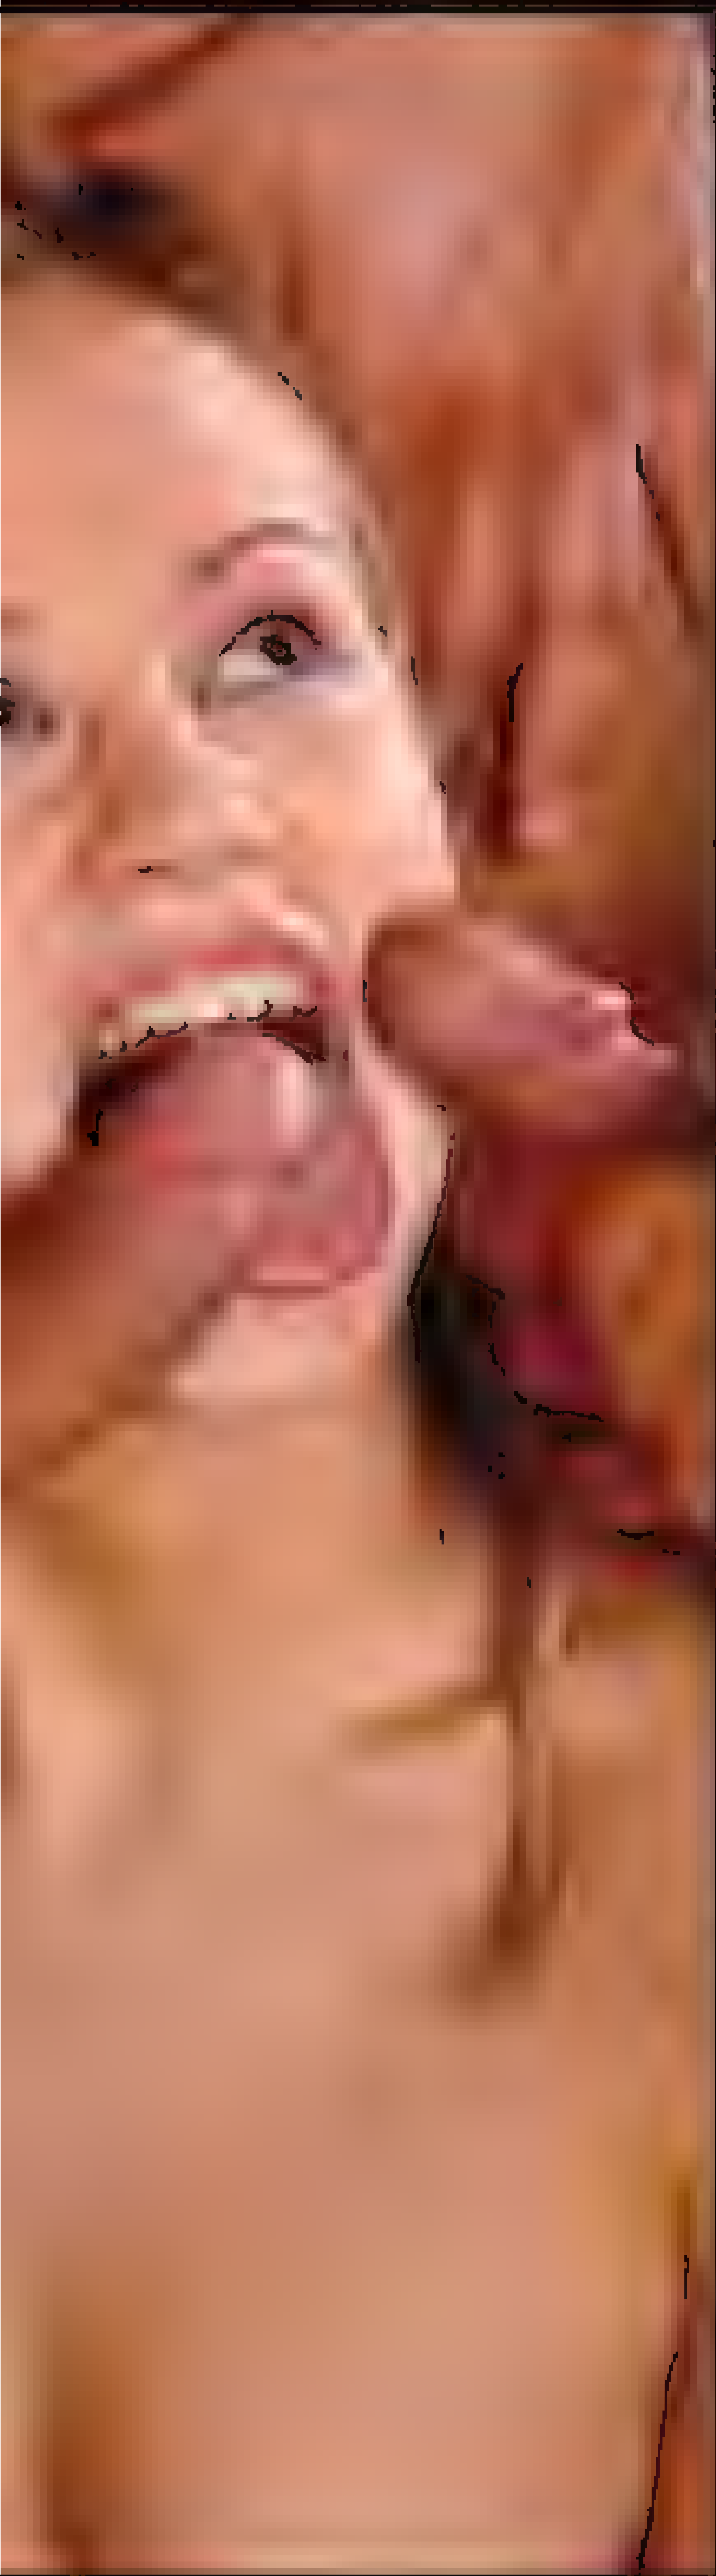

Luigina has always felt comfortable with her body and sexuality. The guys were originally a little intimidated by this sultry sexpot but they gave it the old college try.

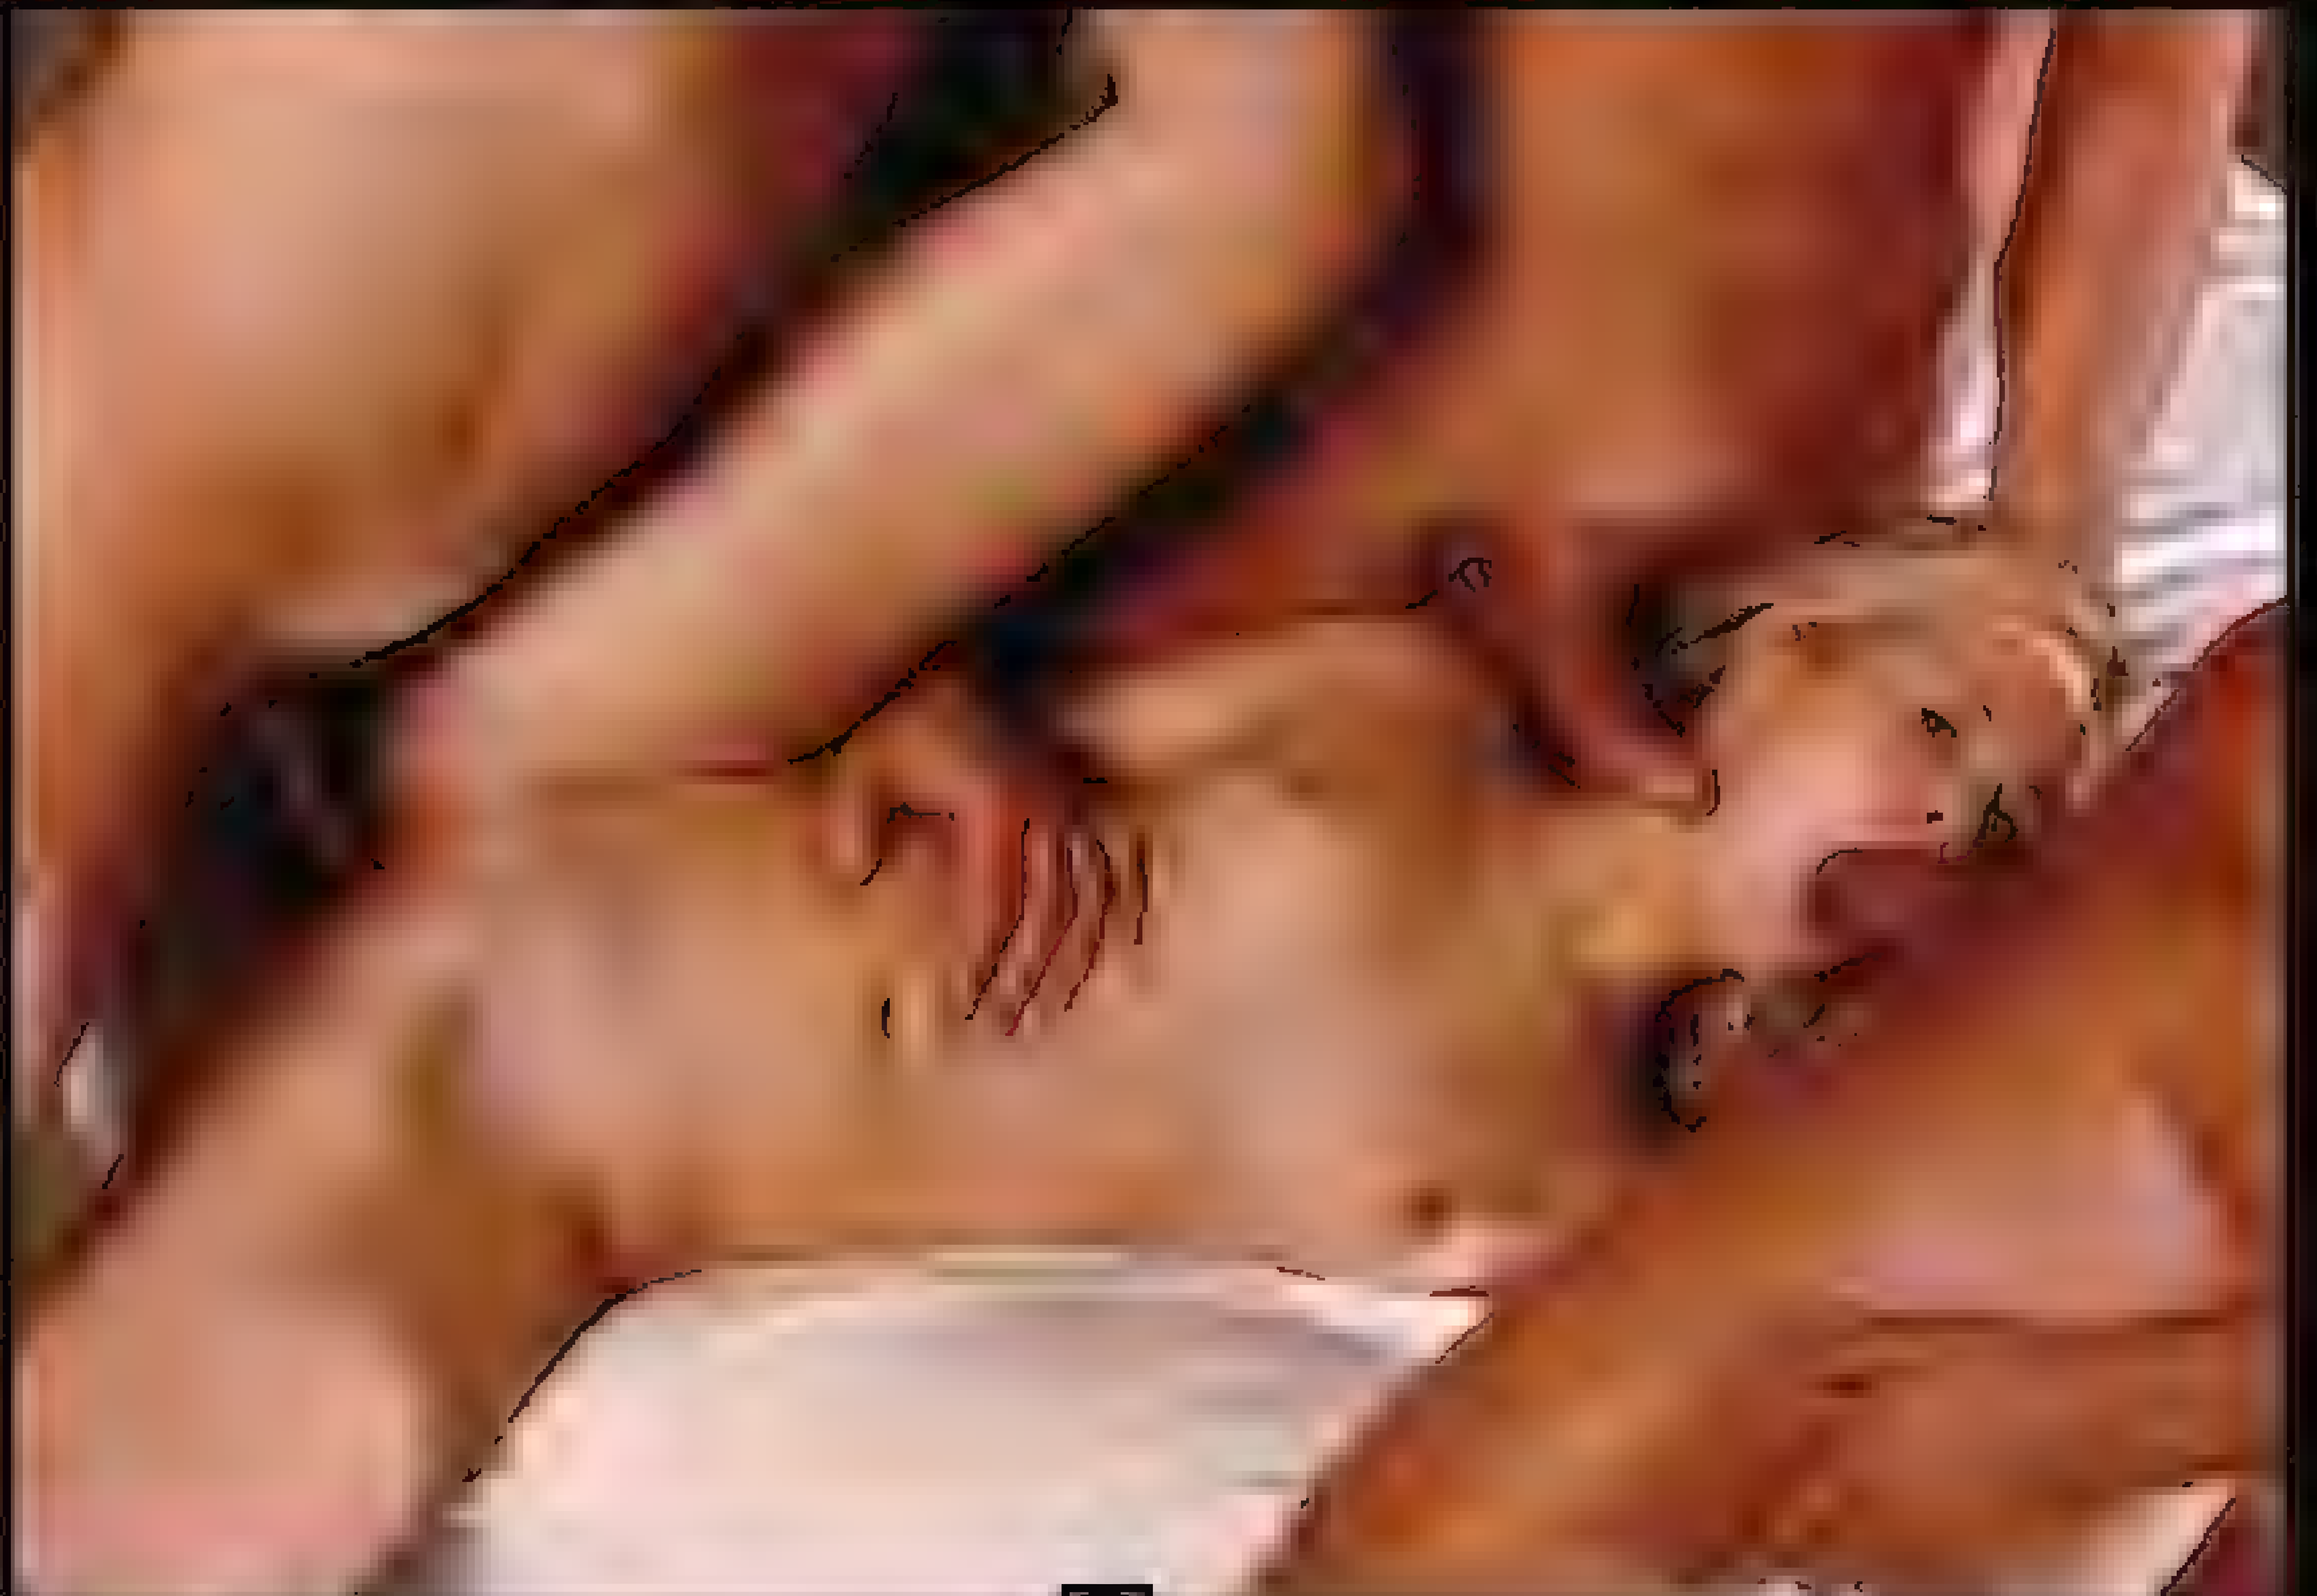

Three cocks was a new challenge but she was eager to see if she could handle the extra attention. We believe in you girl.

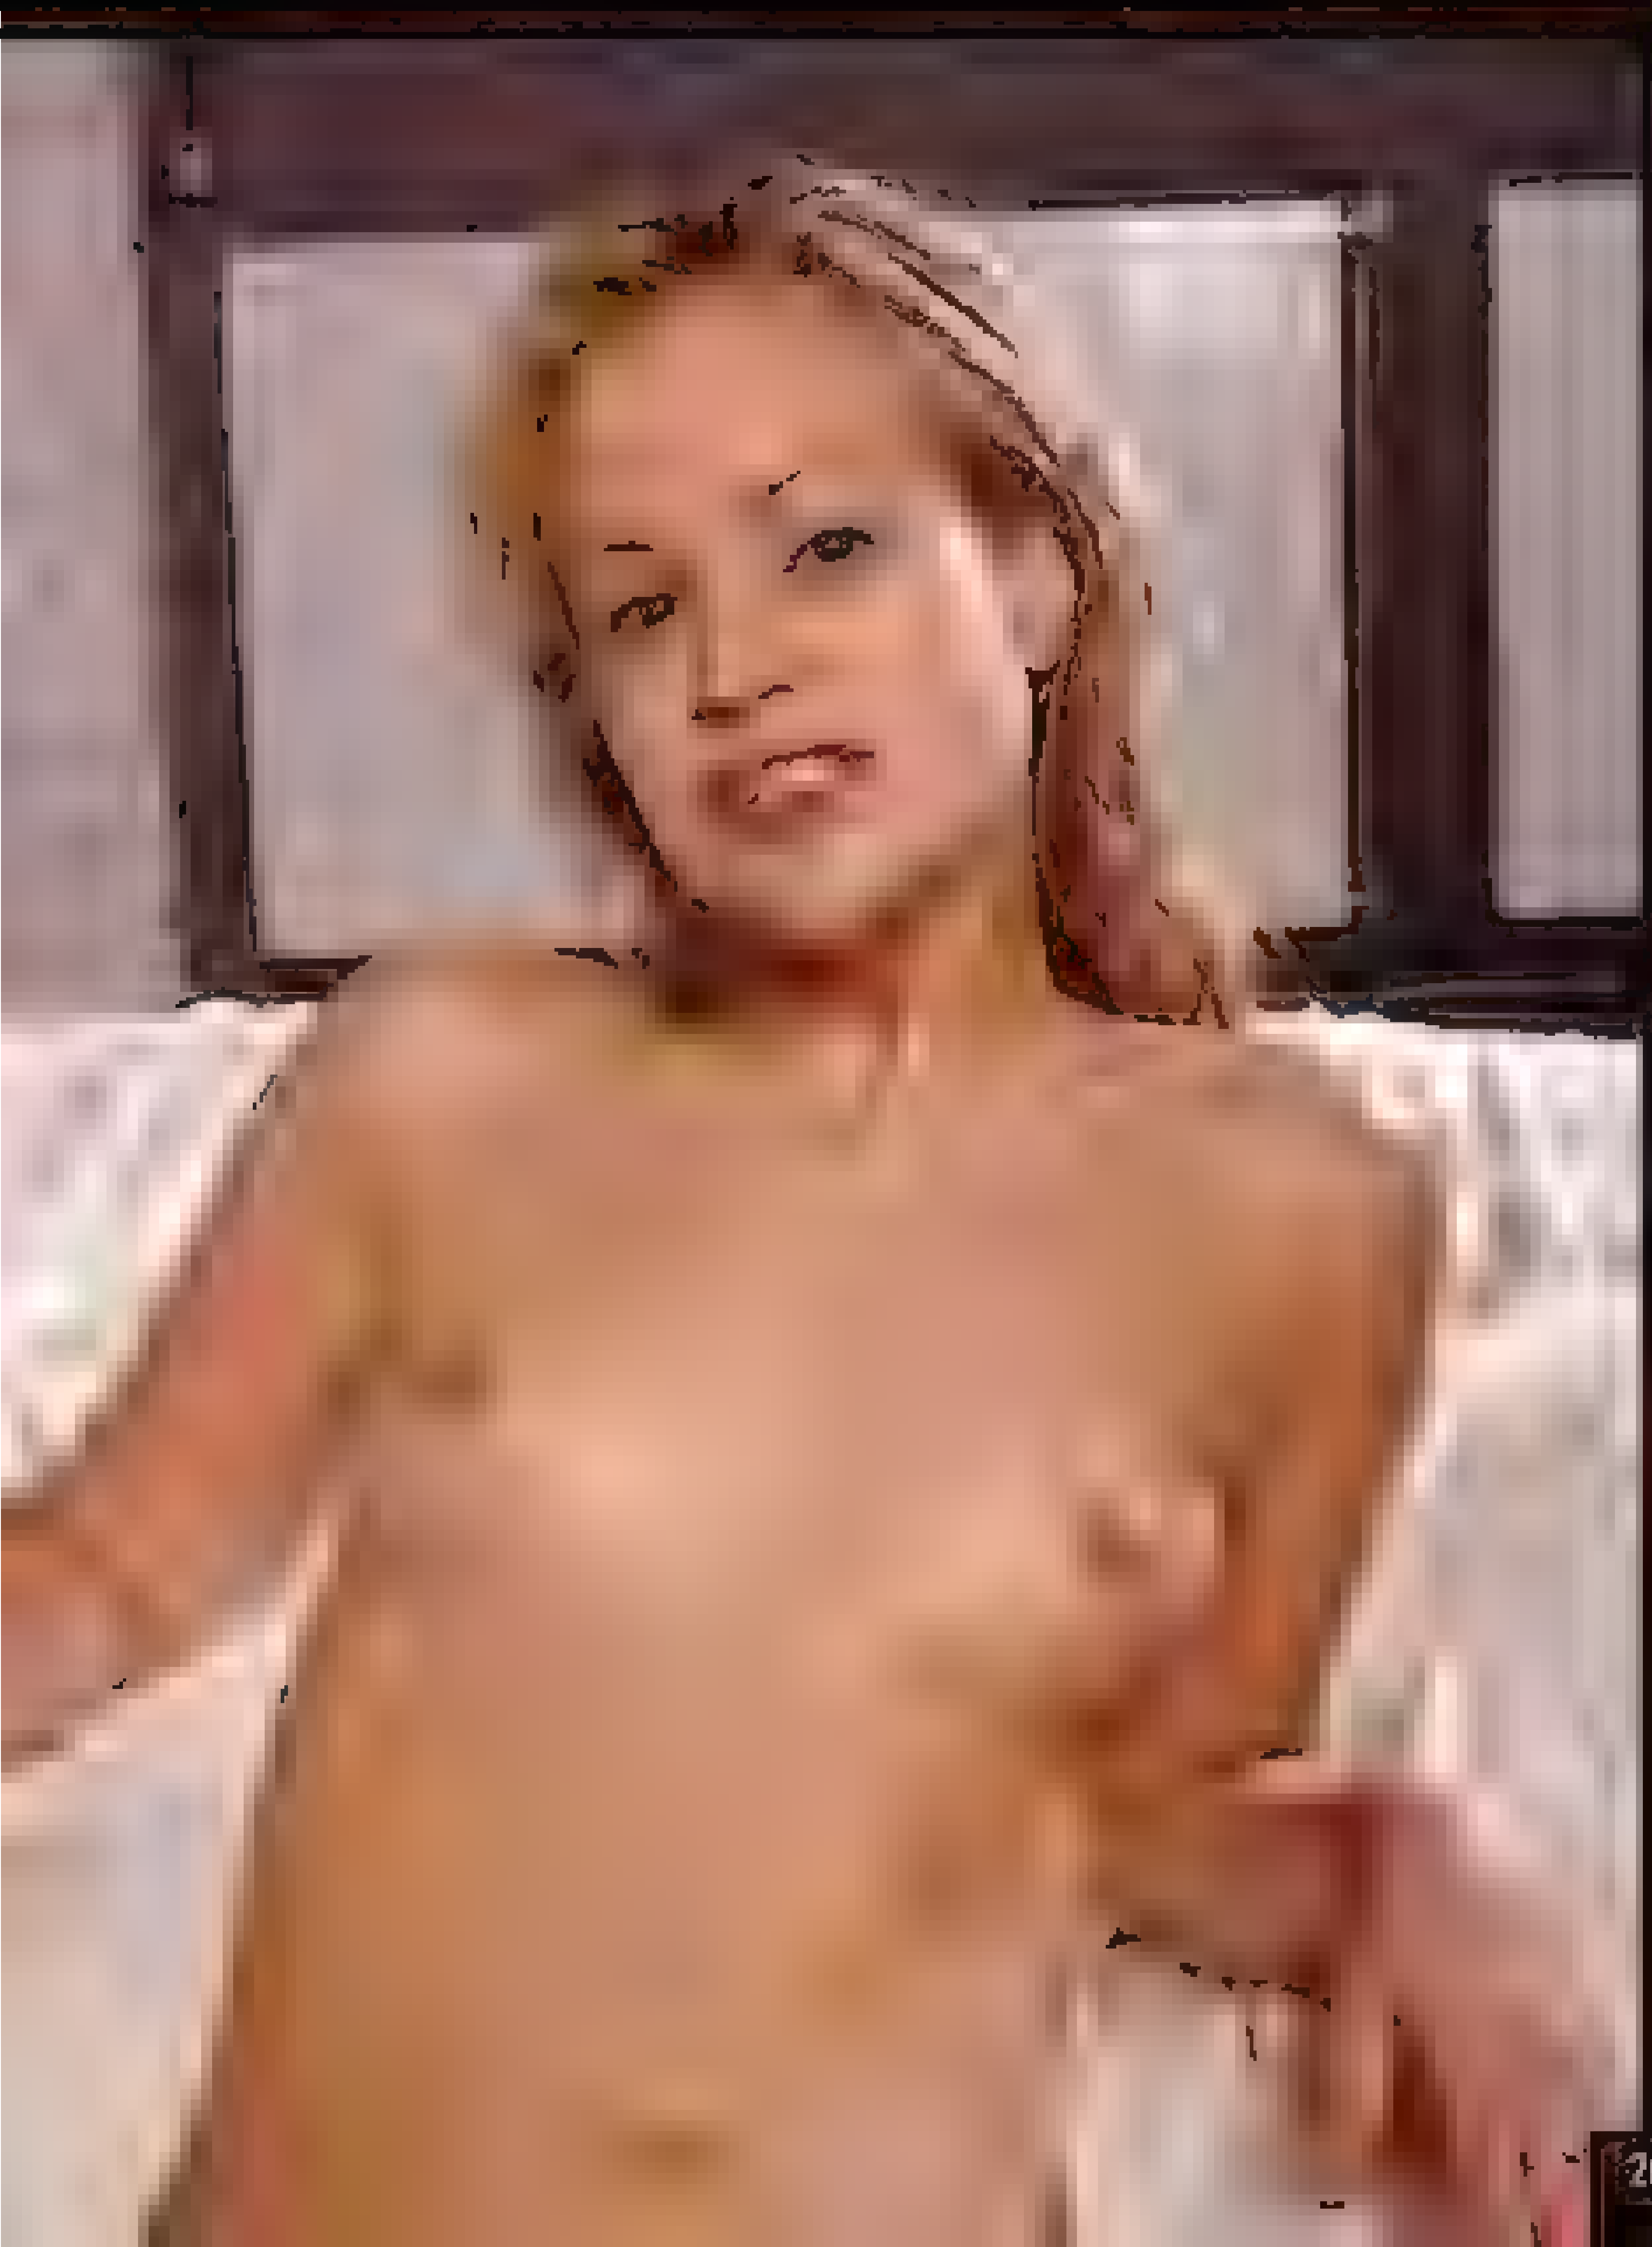

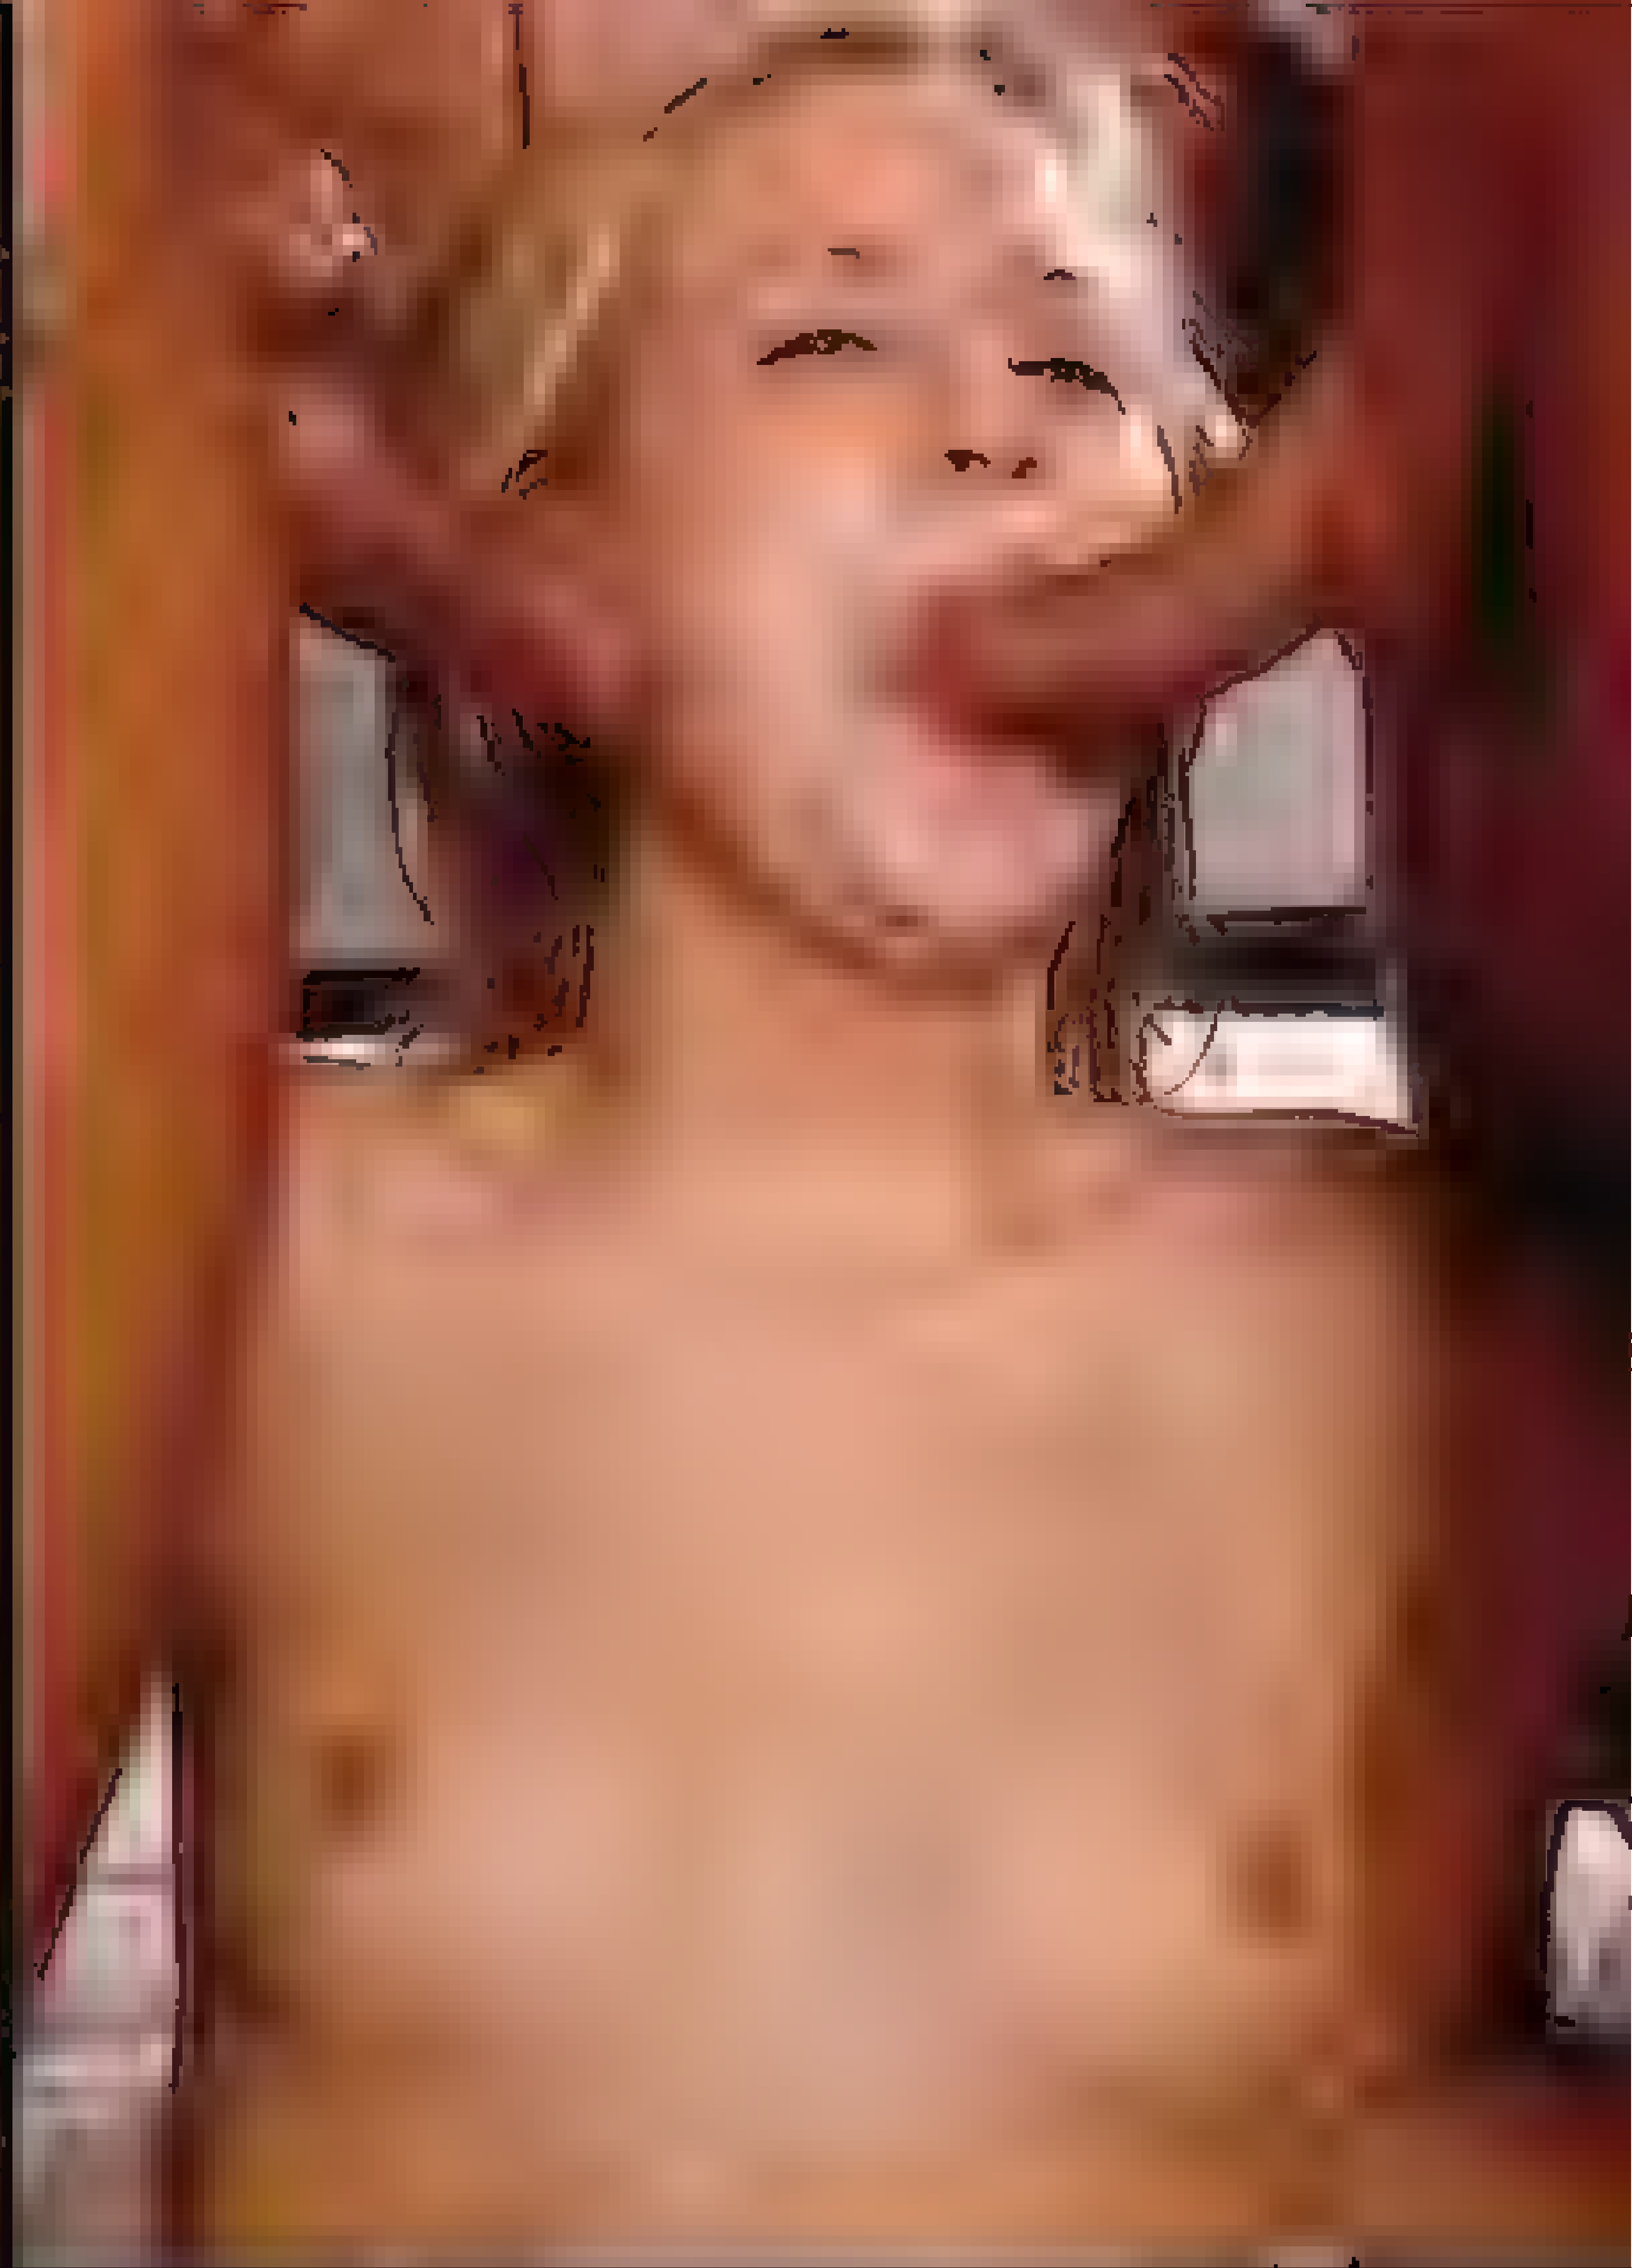

As they took turns fucking her, Lu.gina remembered that she had an exam tomorrow that she needed to pass. Even if she fails, we're sure she'll convince the professor to give her a retake.

Drenched in cum is what makes this vixen  
happy. Do you have any jizz to spare?

I'm a security guard at a small Midwestern campus. Usually, my job is about as dull as the college library on Saturday night. But not a couple of Saturday nights ago, when I found a hot coed feeling herself up in front of a washroom mirror.

It was around ten o'clock, right before the library closed for the night. I was making one last pass along the second floor, when I pushed open the door to the men's washroom to relieve myself, before I was relieved for the night. And then I stopped dead in my tracks like I'd been struck by higher knowledge.

A blonde babe with huge, luscious, sun-tanned tits was staring at herself in the mirror of the tiny one-unlabeled, one-stall bathroom, fondling her naked hooters. She was cupping and squeezing the swollen, golden-brown pair, seemingly completely oblivious to me and the fact she was a jill in the john. I thought at first that maybe she was giving herself a breast self exam. But then I remembered that exams were still two weeks away. Had that thought confirmed from watching her crawl her fingers up her jugs to pinch the jutting tan tips. She moaned like for sure she was giving herself some good medicine of the self-abuse kind. Her eyelids fluttered and her slim body shuddered. Long, blonde hair cascaded down her back in a gold wave, her ripe, round butt deliciously packaged in a pair of skin-tight black shorts, legs stretching out slender and smooth. Her blue tube-top was rolled up to her neck, letting her knockers hang loose, supported by her loving hands and fingers.

I gulped like a freshman on the first day of classes, staring at the blonde beauty grop-

## REFLECTION OF PERFECTION

ing her chest mounds and rolling her nipples, staring at herself and her handled humps in the mirror. My cock fazed rigid in my uniform pants, shocked to almost instant erection by the starkly erotic sight. And then I received the second jolt of the night when the babe slowly turned her head and chest and looked straight at me.

"...couldn't help myself, could you?"

She had green eyes and glossy lips, a classically beautiful face. I shook my head in answer to her rhetorical question, stumbling inside the washroom, up to the stunning student.

She let go of her boobs, and the big 'uns drooped only a little. Then she turned back to the mirror, and I slipped in behind her, staring at the reflection of her perfect tits. She smiled and nodded, roped my arms around her tapered torso and grabbed up her hanging melons.

"Yes!" we both excited at the heated touch.

Her tits were firm and heavy, overfilling my clutching hands, the skin smooth and warm and wonderful to feel. I squeezed her boobies, working the fine, thick flesh, the pair of us watching the pair of them in the mirror.

My hard-on pulsed up against her taut bottom in between her richly mounded butt cheeks. She softly undulated her ass into my cock, as I erotically massaged her mammas. I then scaled their colossal heights with my fingers to clasp onto her nipples, pinch and pull on the rubbery pair.

She trembled against me, her eyelashes fluttering again. I burned with the awesome heat of her body and tits, dizzied by the sweet scent of her perfume. I had to fuck her, stick my yearning dick into her juicy cunt, before I went off in my pants and soiled my reputation even more.

"Fuck me!" she breathed, reading my dirty mind like one of the dirty books in the stacks. "Fuck me while you feel up my tits!"

I released her boobs and unbuckled and unzipped my pants, shoved them and my shorts down. Then I watched with bulging eyes and straining member, as the busty blonde slowly pushed her own shorts down over the twin, bronze slopes of her butt cheeks. The stretched-out garment plummeted down her legs to her feet, and she stepped out of the pair of shorts, completely naked now except for her tube-top scarf and sneakers.

I gripped my throbbing rod and stuck it in between her legs. "Fuck!" gasped, instantly striking wetness. The girl was dripping, her cunt wanting my cock as much as my cock wanted in her cunt. I plowed through her moist petals and plunged her moist tunnel.

"Yes!" we both moaned again.

I filled her to the sopping brim, my cock sucked tight in her pink sleeve, my balls kissing up against her buttocks. I regripped

her casabas, pumping my hips, fucking her pussy.

She bounced back against me, staring at herself and myself and her manhandled tits in the mirror. I rocked her hot body with my thrusting prick, churning her velvety tunnel, grasping her jumping jumbles, spinning her jutting nipples. The temperature skyrocketed like my sexual IQ, the smack of my thighs hammering against her rippling buns filling the small washroom.

I pumped her in a frenzy, mauling her melons. The whole thing was just so totally unexpected and utterly sexy that I just couldn't control myself.

She was the same, shouting, "Fuck me faster! Harder!" glaring at me in the mirror.

I fucked her harder, faster. Her tits almost jolted right out of my hands, my body bang

ing off her ass, dick plowing her channel.

It was my turn to shout. "Fuck, I'm coming!" I wailed, bucking, basting.

I sprayed sizzling seed deep into her pussy, over and over, squeezing her knockers so hard her nipples almost exploded. And she shuddered in my arms with more than just my thumping bodyweight, creaming my cock with her own juices as I juiced her pussy with my cum.

"I was going to let the first guy who came in fuck me," she fessed up afterwards. "I didn't make myself come first."

Timing is everything in the security biz.

## *The Casting Couch*

You gotta love young and eager beavers who are more than willing to please in the name of fame and exposure. Roxy's always wanted to be a porn star and today is her lucky day (and most certainly ours). She not only showed up early but got right down to business and began displaying her sexy assets and talents. Our prediction—you can't hold a girl who looks and acts like this for long, unless she wants you to of course.

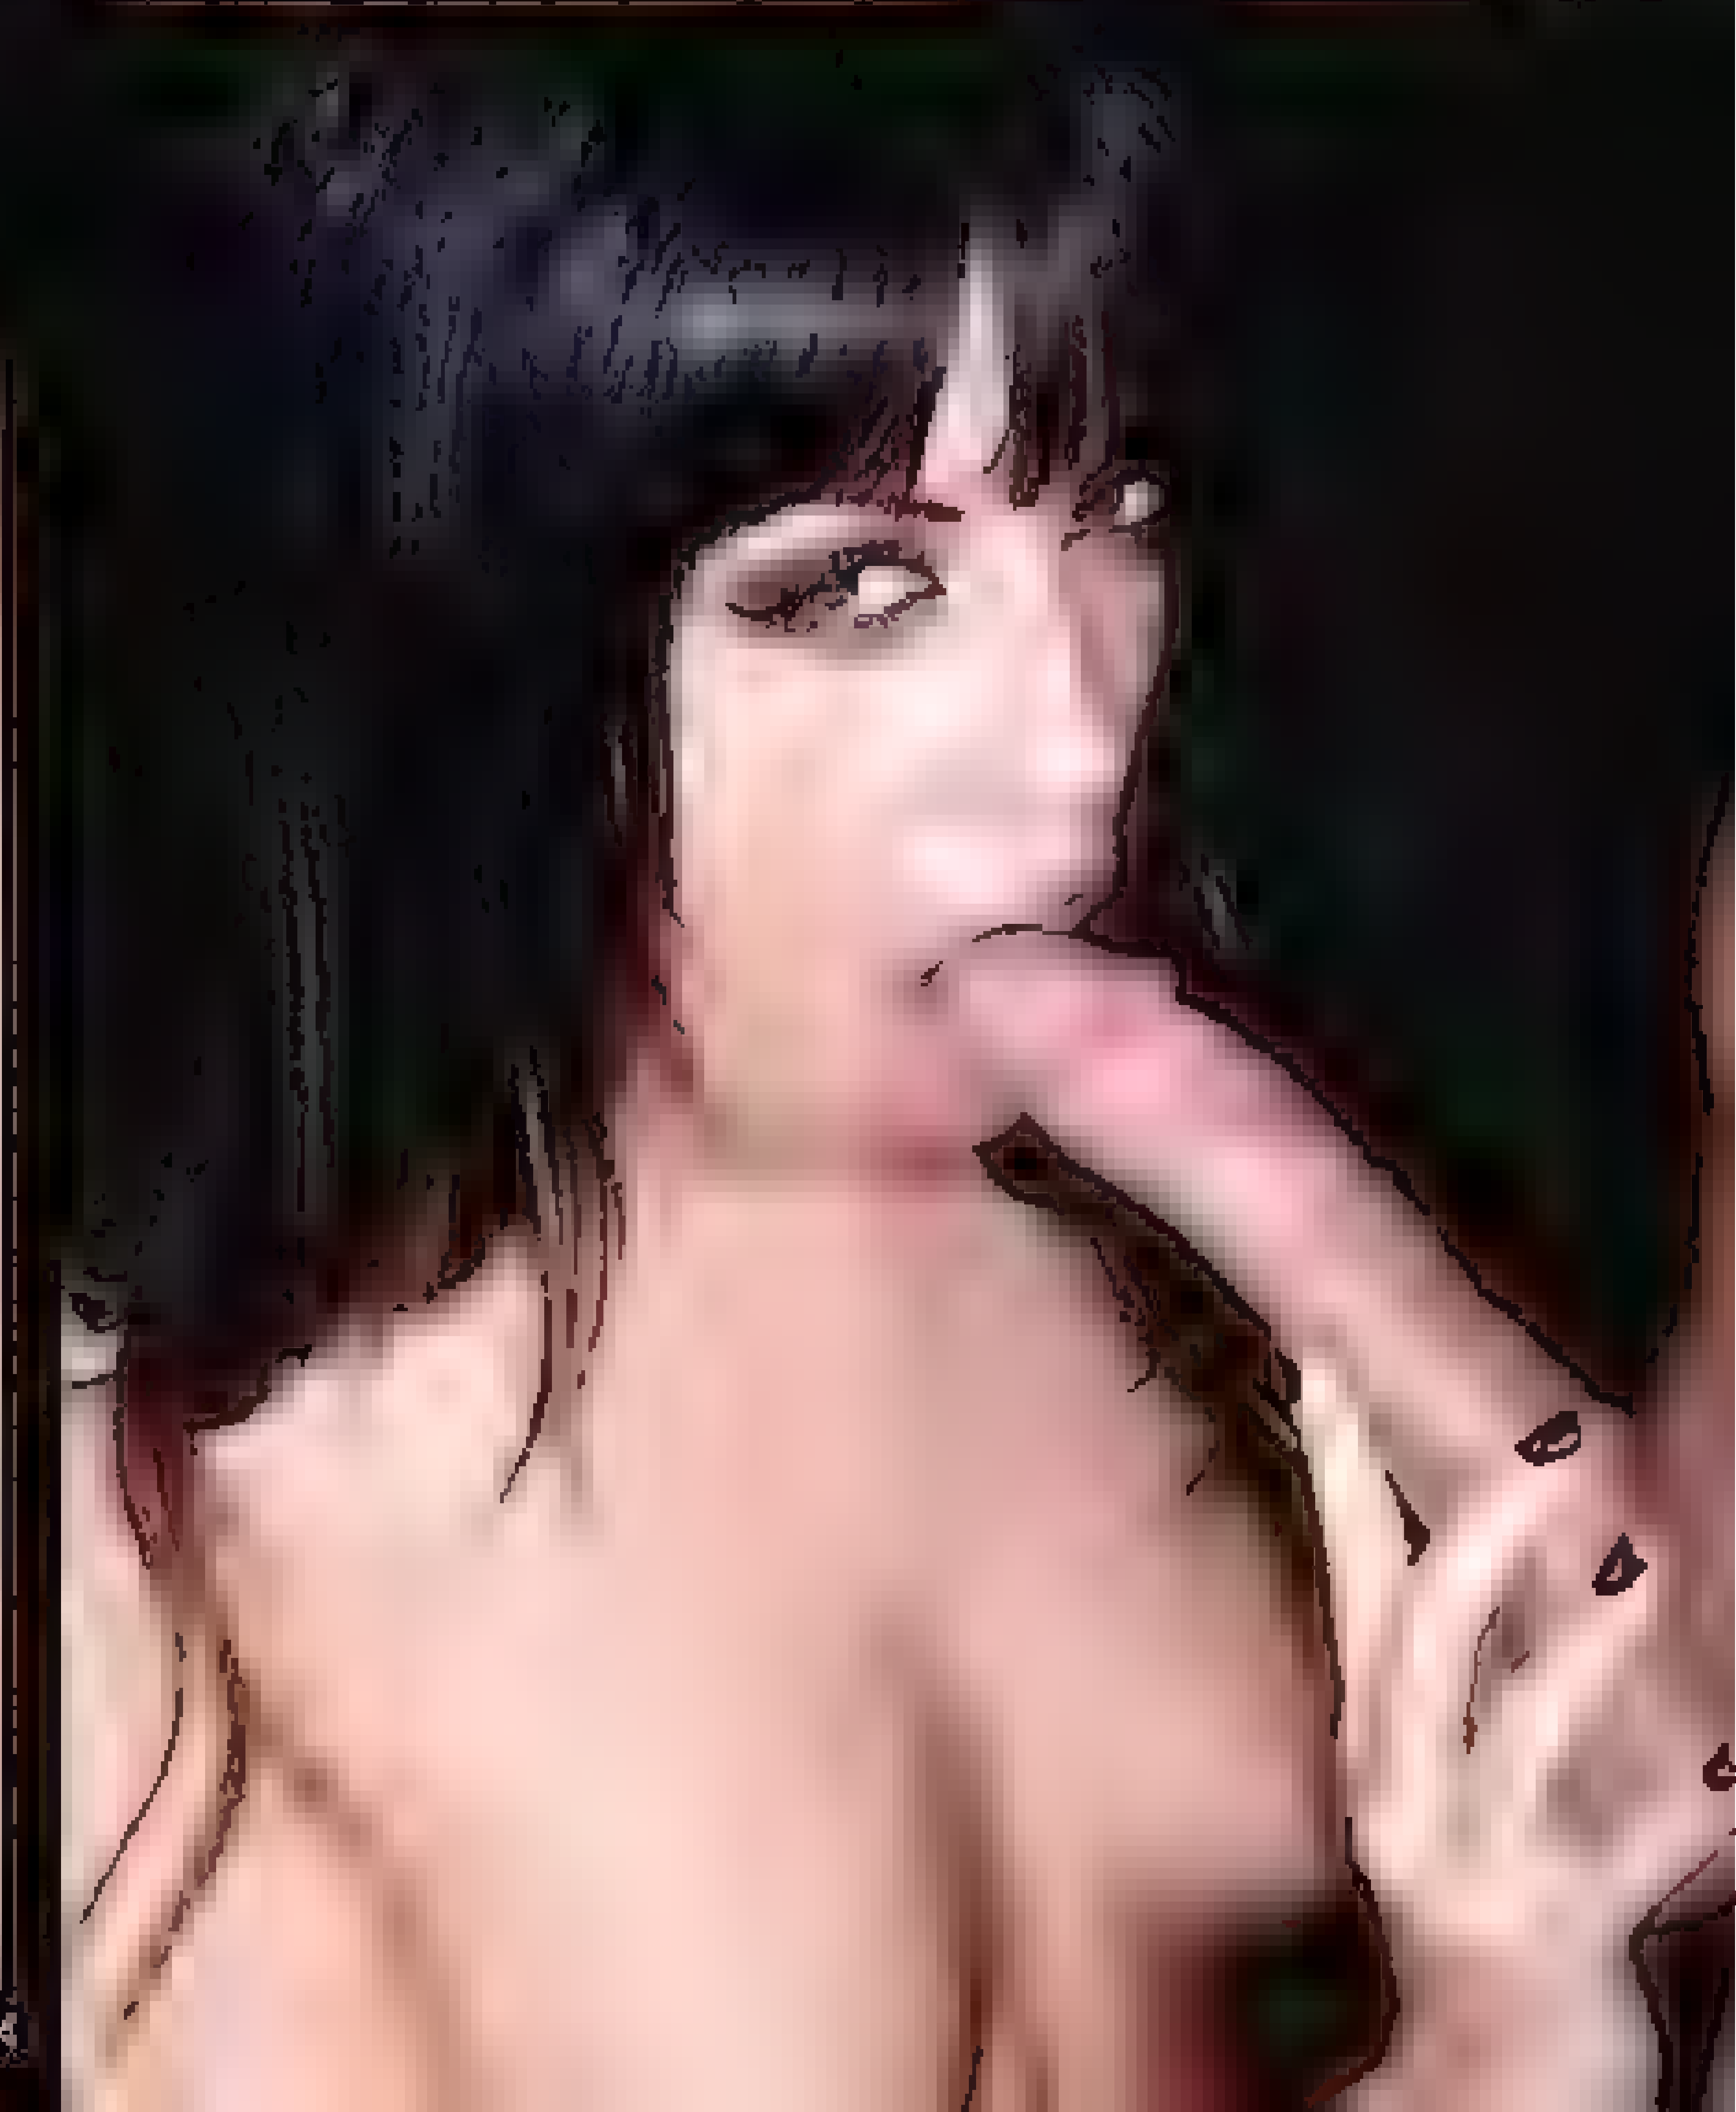

She knows just how to play the camera, but let's see how she handles a big hard cock.

So far, she's passing  
with flying colors.

You can't really call it acting when she  
tells you exactly what she's doing.

She's got all the moves down pat.

*Fucks As  
Good As  
She Looks*

Once in a while a girl comes around whose drop-dead gorgeous looks and natural born shittiness combine to create a sex goddess and gentlemen, this is not fantasy come to life. Eva possesses the features of the sultriest super model or international actress but rather than be satisfied in being paraded up in a Hot Chick magazine this girl likes to push her body and her talents to their limits. Eva

We almost had heart attacks when she walked in to the room, ready to play. Good thing for all that extra cardio

Sexual acrobatics are the norm even when she's giving head. Eva's body and skills are a feast for undeserving eyes.

With her looks, most guys would be happy just to touch her, but Eva's not opposed to doing some of the work.

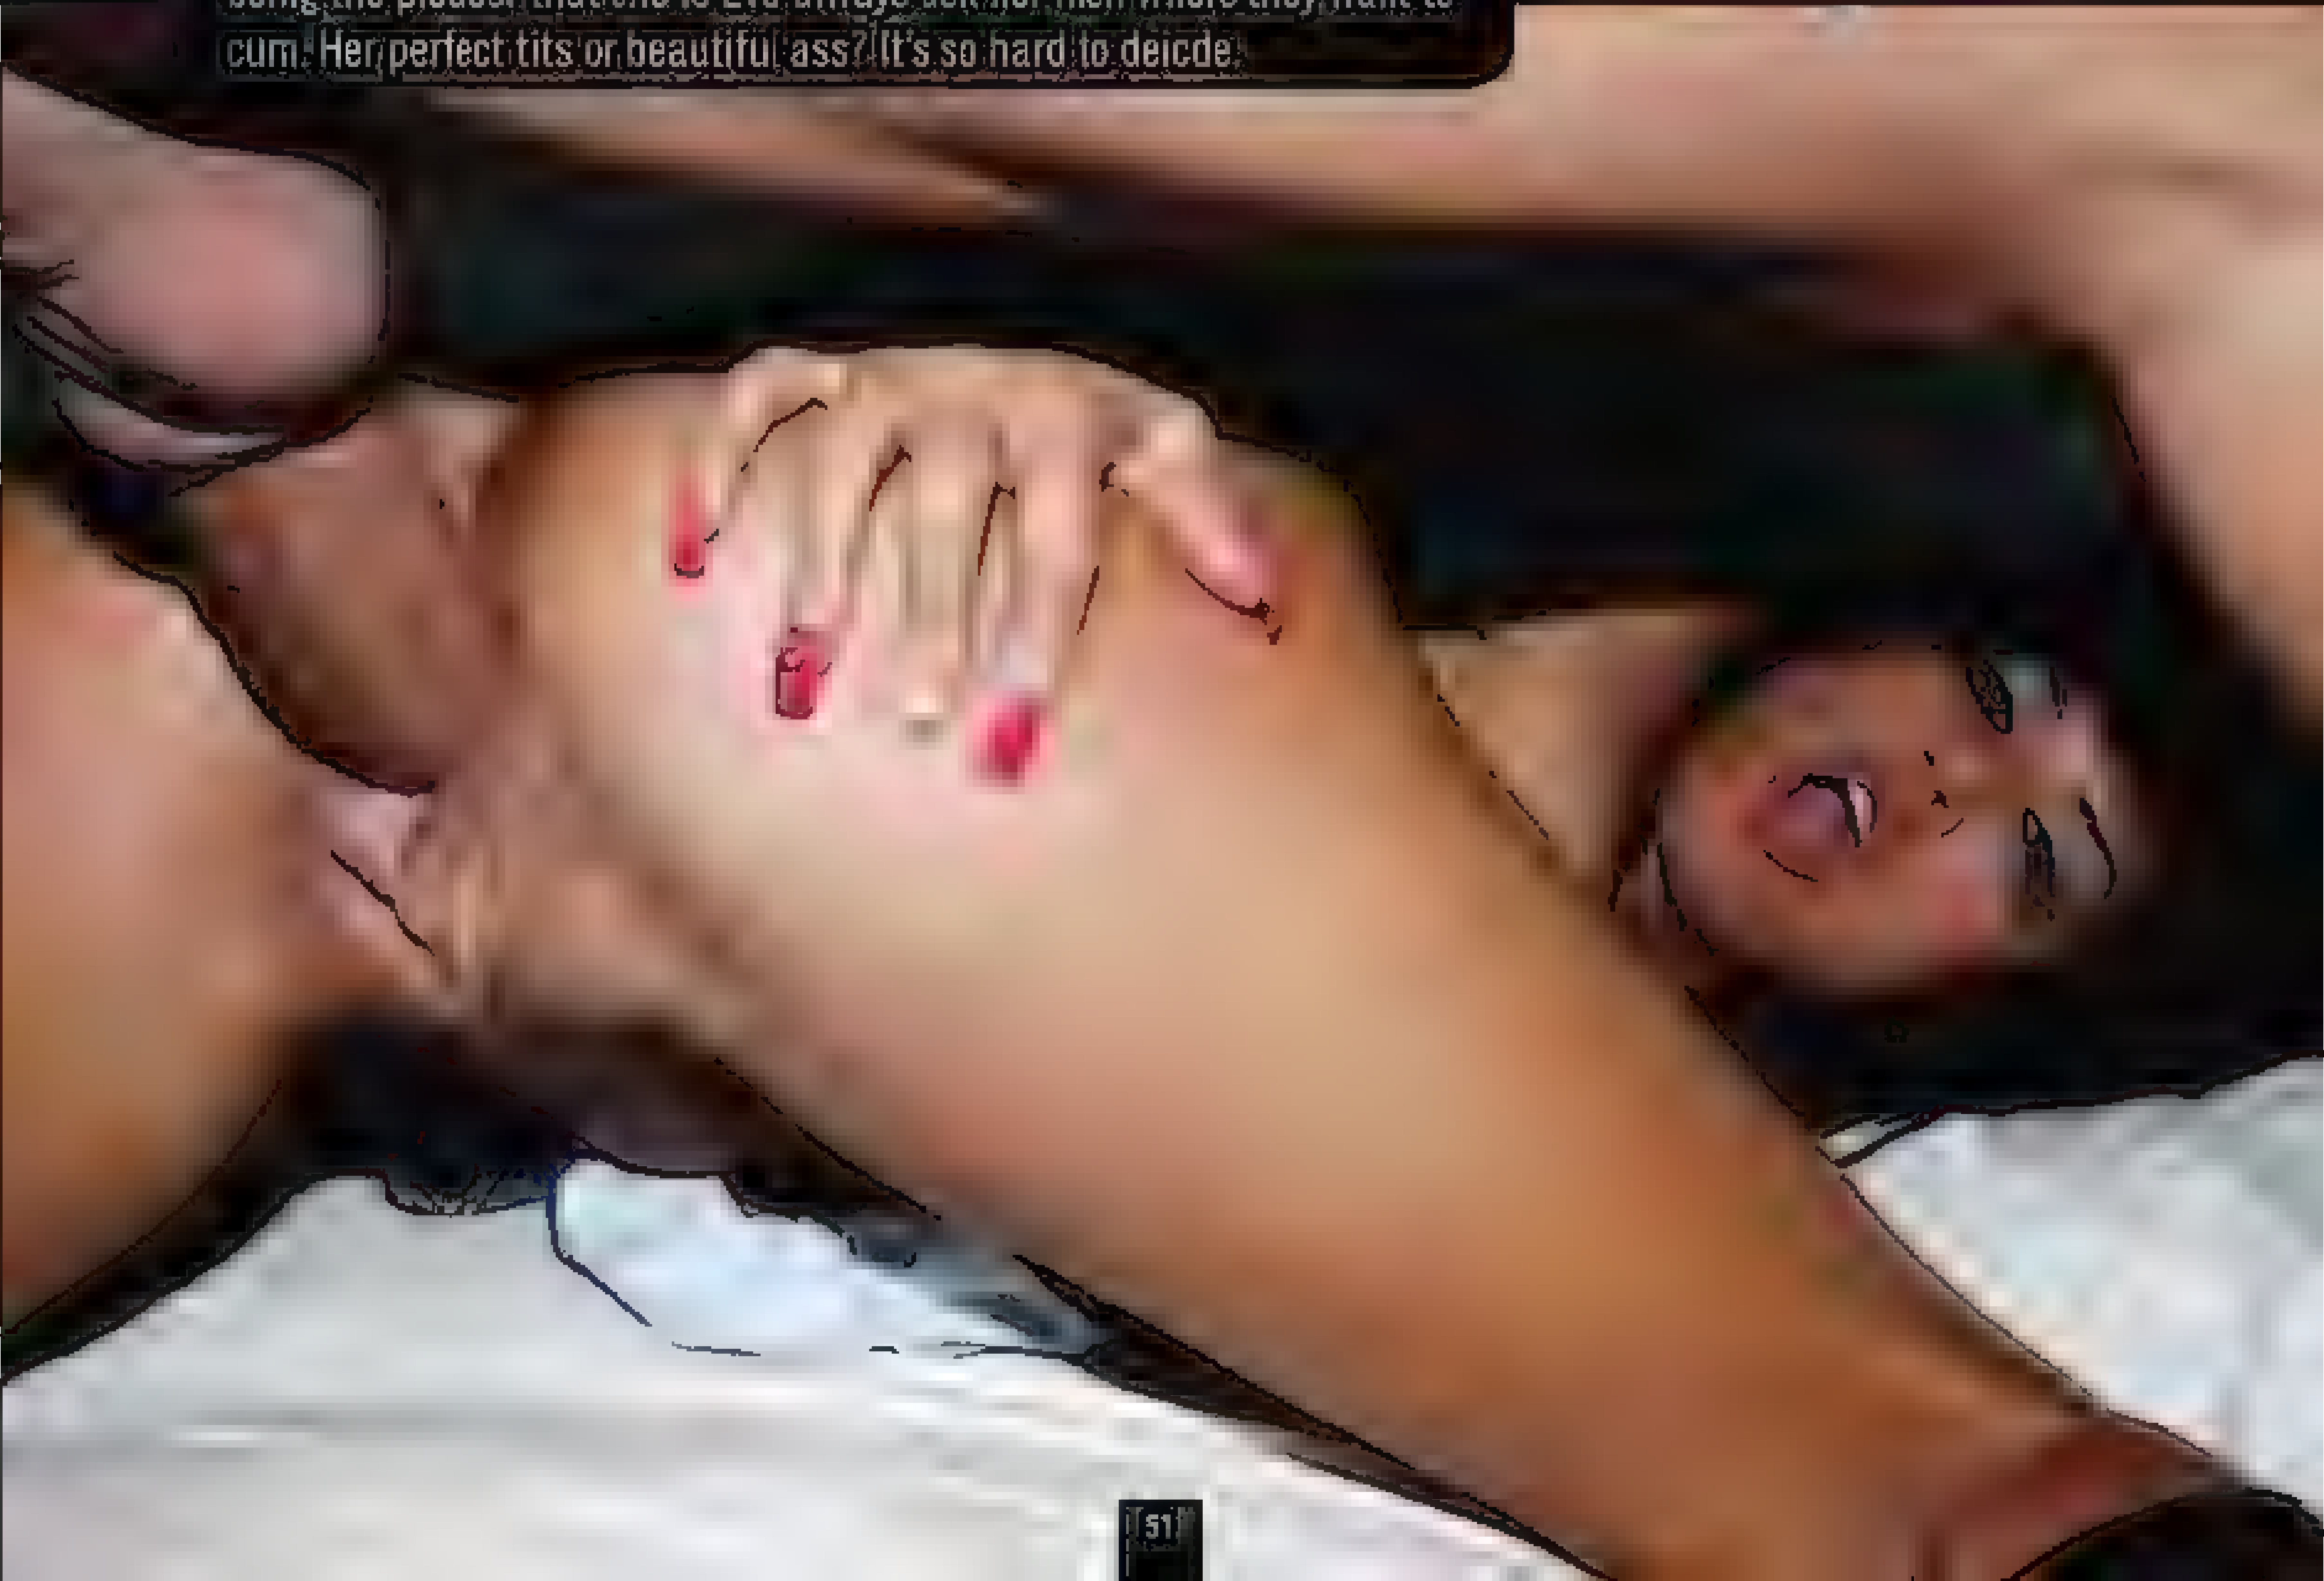

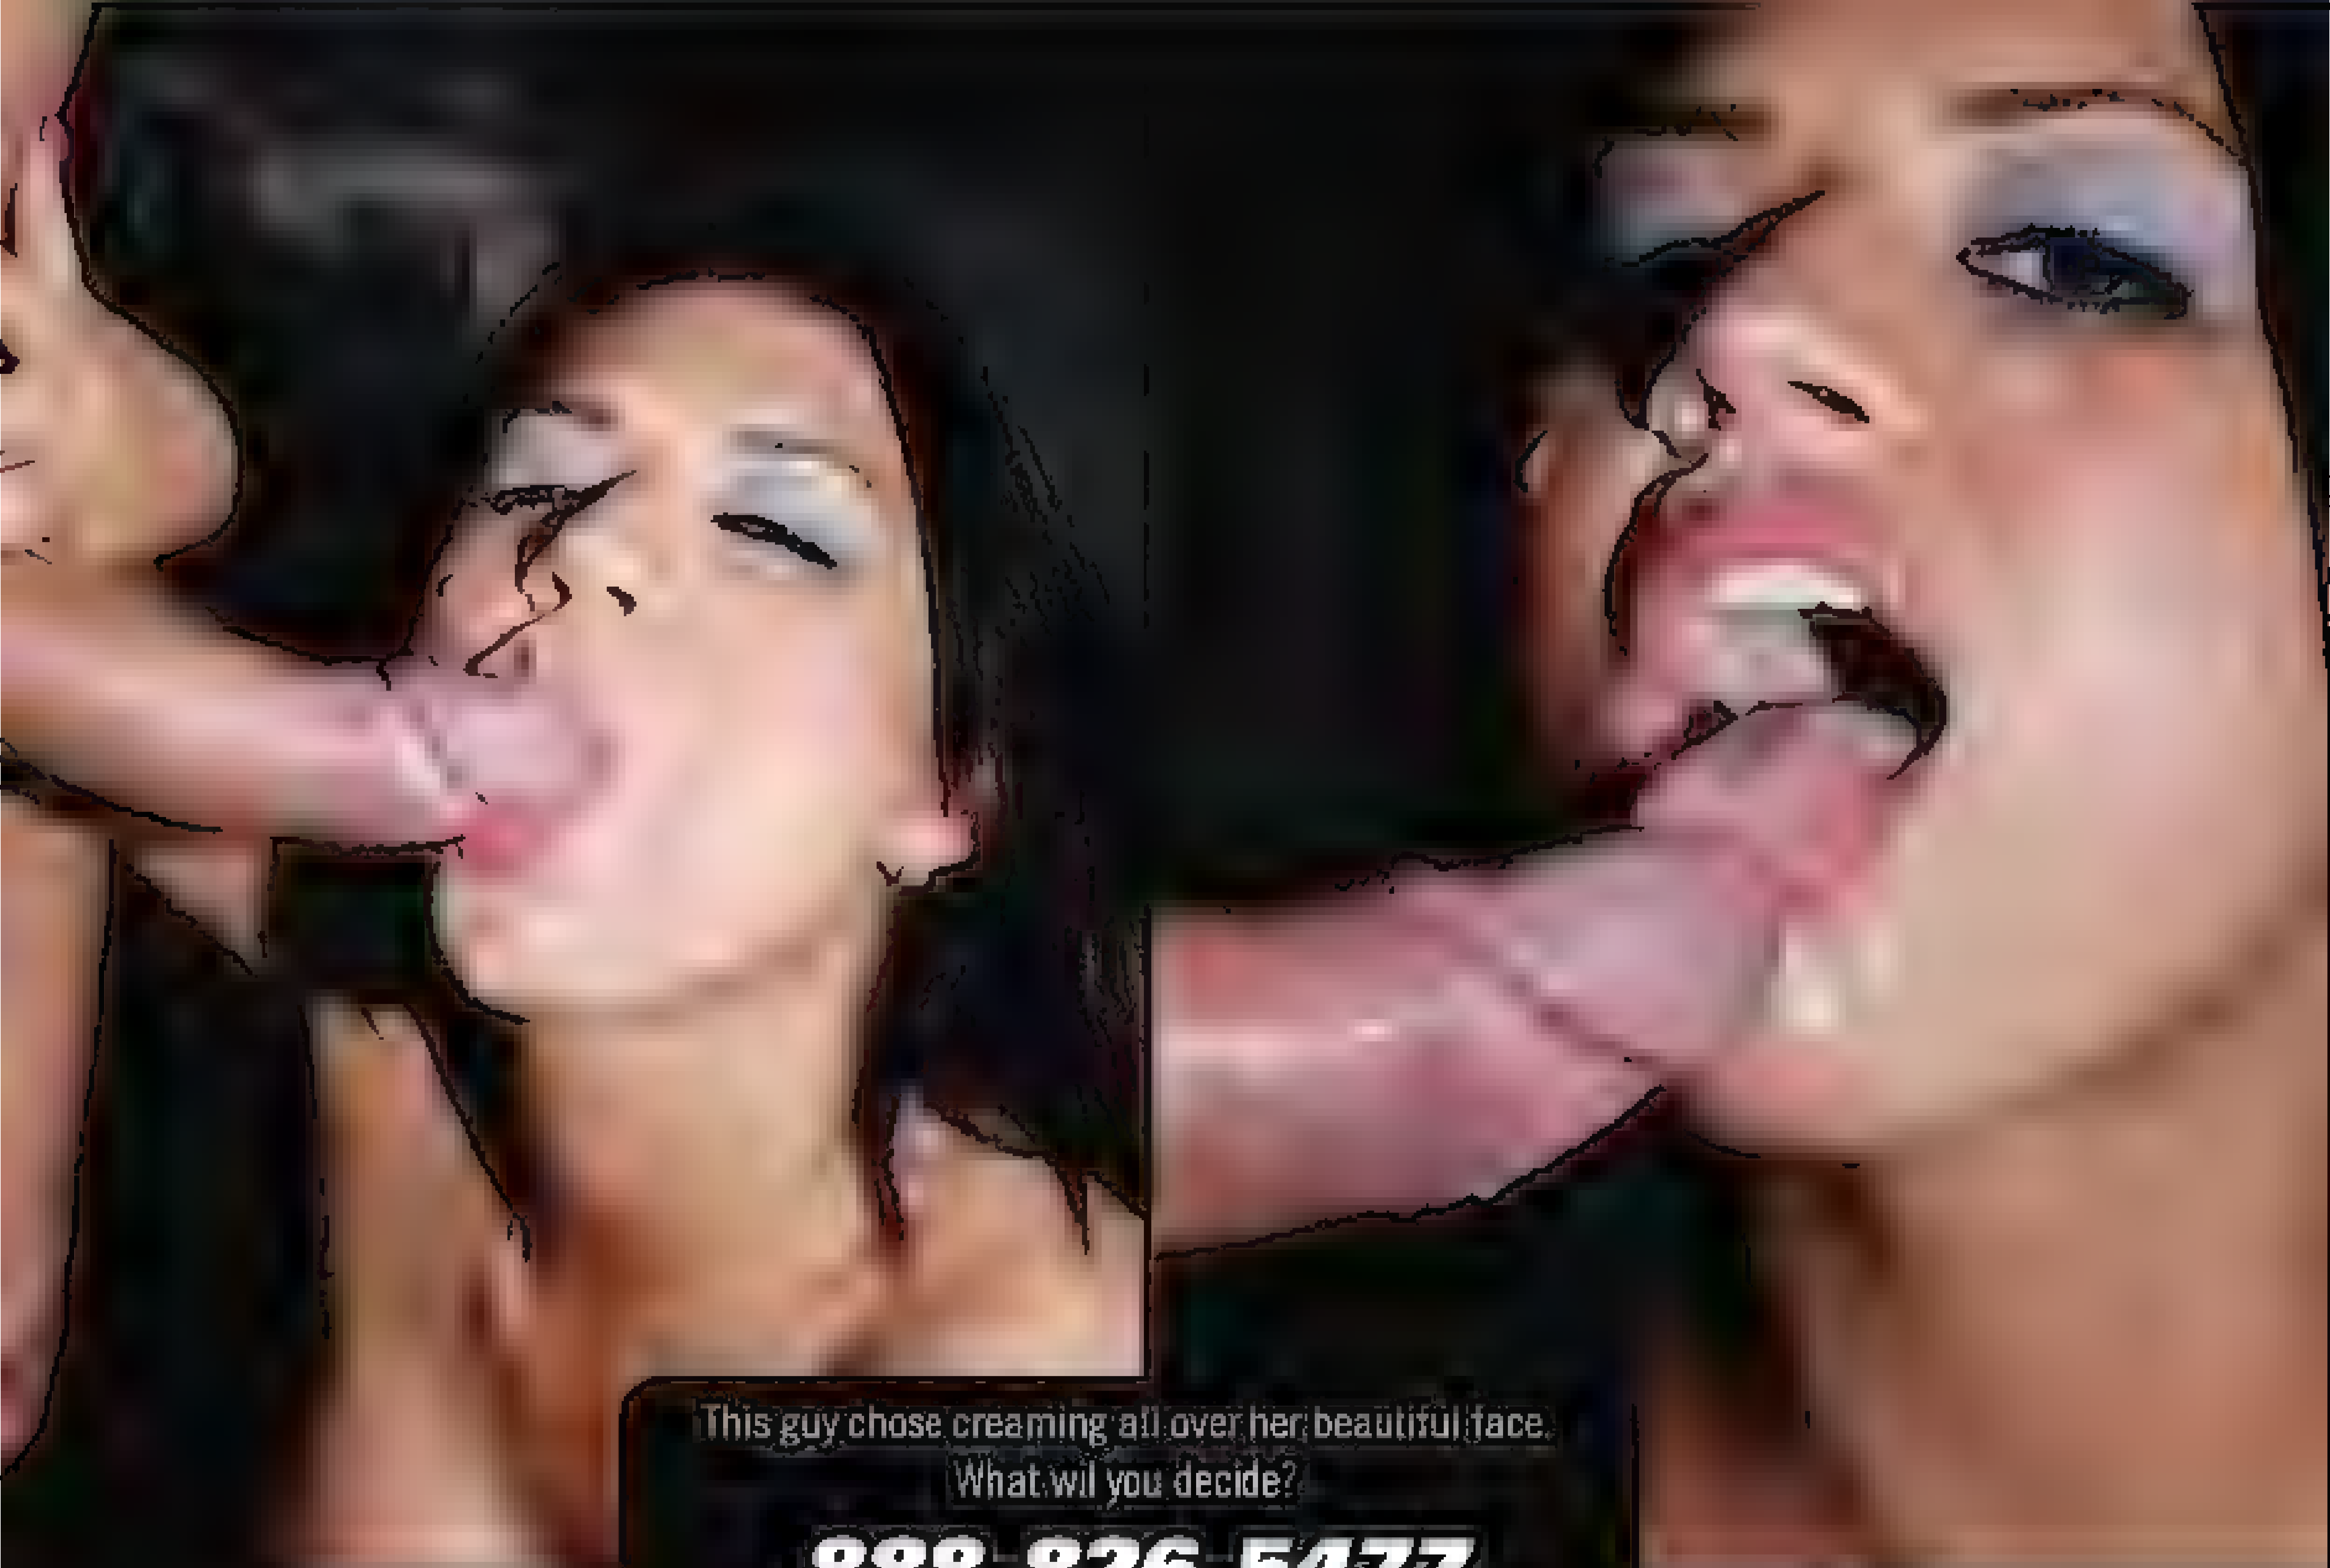

Her experienced pussy can feel the imminent explosion about to erupt and being the pleaser that she is Eva always ask her men where they want to cum. Her perfect tits or beautiful ass? It's so hard to decide.

This guy chose creaming all over her beautiful face.  
What will you decide?

# Jessica

*America's Naughty Sweetheart*

Don't you just love it when good girls go bad? Jessica here is a prime example of a girl who was brought up in a strict family and warned of the dangers of sin only to rebel at the stifling rules. Forced to repress for so long, her desires hit her like a ton of bricks and soon her pussy was aching to be freed from its prison. Hell hath no fury like a bitch in heat.

Like many young girls al it takes  
is a stiff wind to make her pussy  
wet and wi ling.

And that usually means  
a call to her favorite  
booty call boy who's  
always ready and able.

The girl is sopping wet  
and needs to be stuffed.

He might be a little older than Jessica but  
he sure knows how to get her off.

The orgasms keep coming until she  
can't stand it anymore

Sativa's a sucker for romance and love. She'll do anything for her man and that's how she finds herself in our studios today. You see, her man gets off watching her fuck other guys, and having the session on film is only going to make it that much more intense. Sativa doesn't mind an endless parade of strange cocks if it keeps her guy happy. She can separate physical pleasure from emotional attachment. Now let's see you separate yourself from the next few blistering pages.

*Choosing Her

You can call this guy a great American patriot for being willing to share a fine piece of ass I ke Sativa. Just look at this gorgeous creature.

...the way the world loves to

She might not necessarily think  
she's only doing this for her man,  
but her hood guys say otherwise.

Seeing her tossed like a rag doll  
takes her boyfriend over the top.

They're constantly looking for  
eager participants. Can you  
deliver the goods?

Jenavive

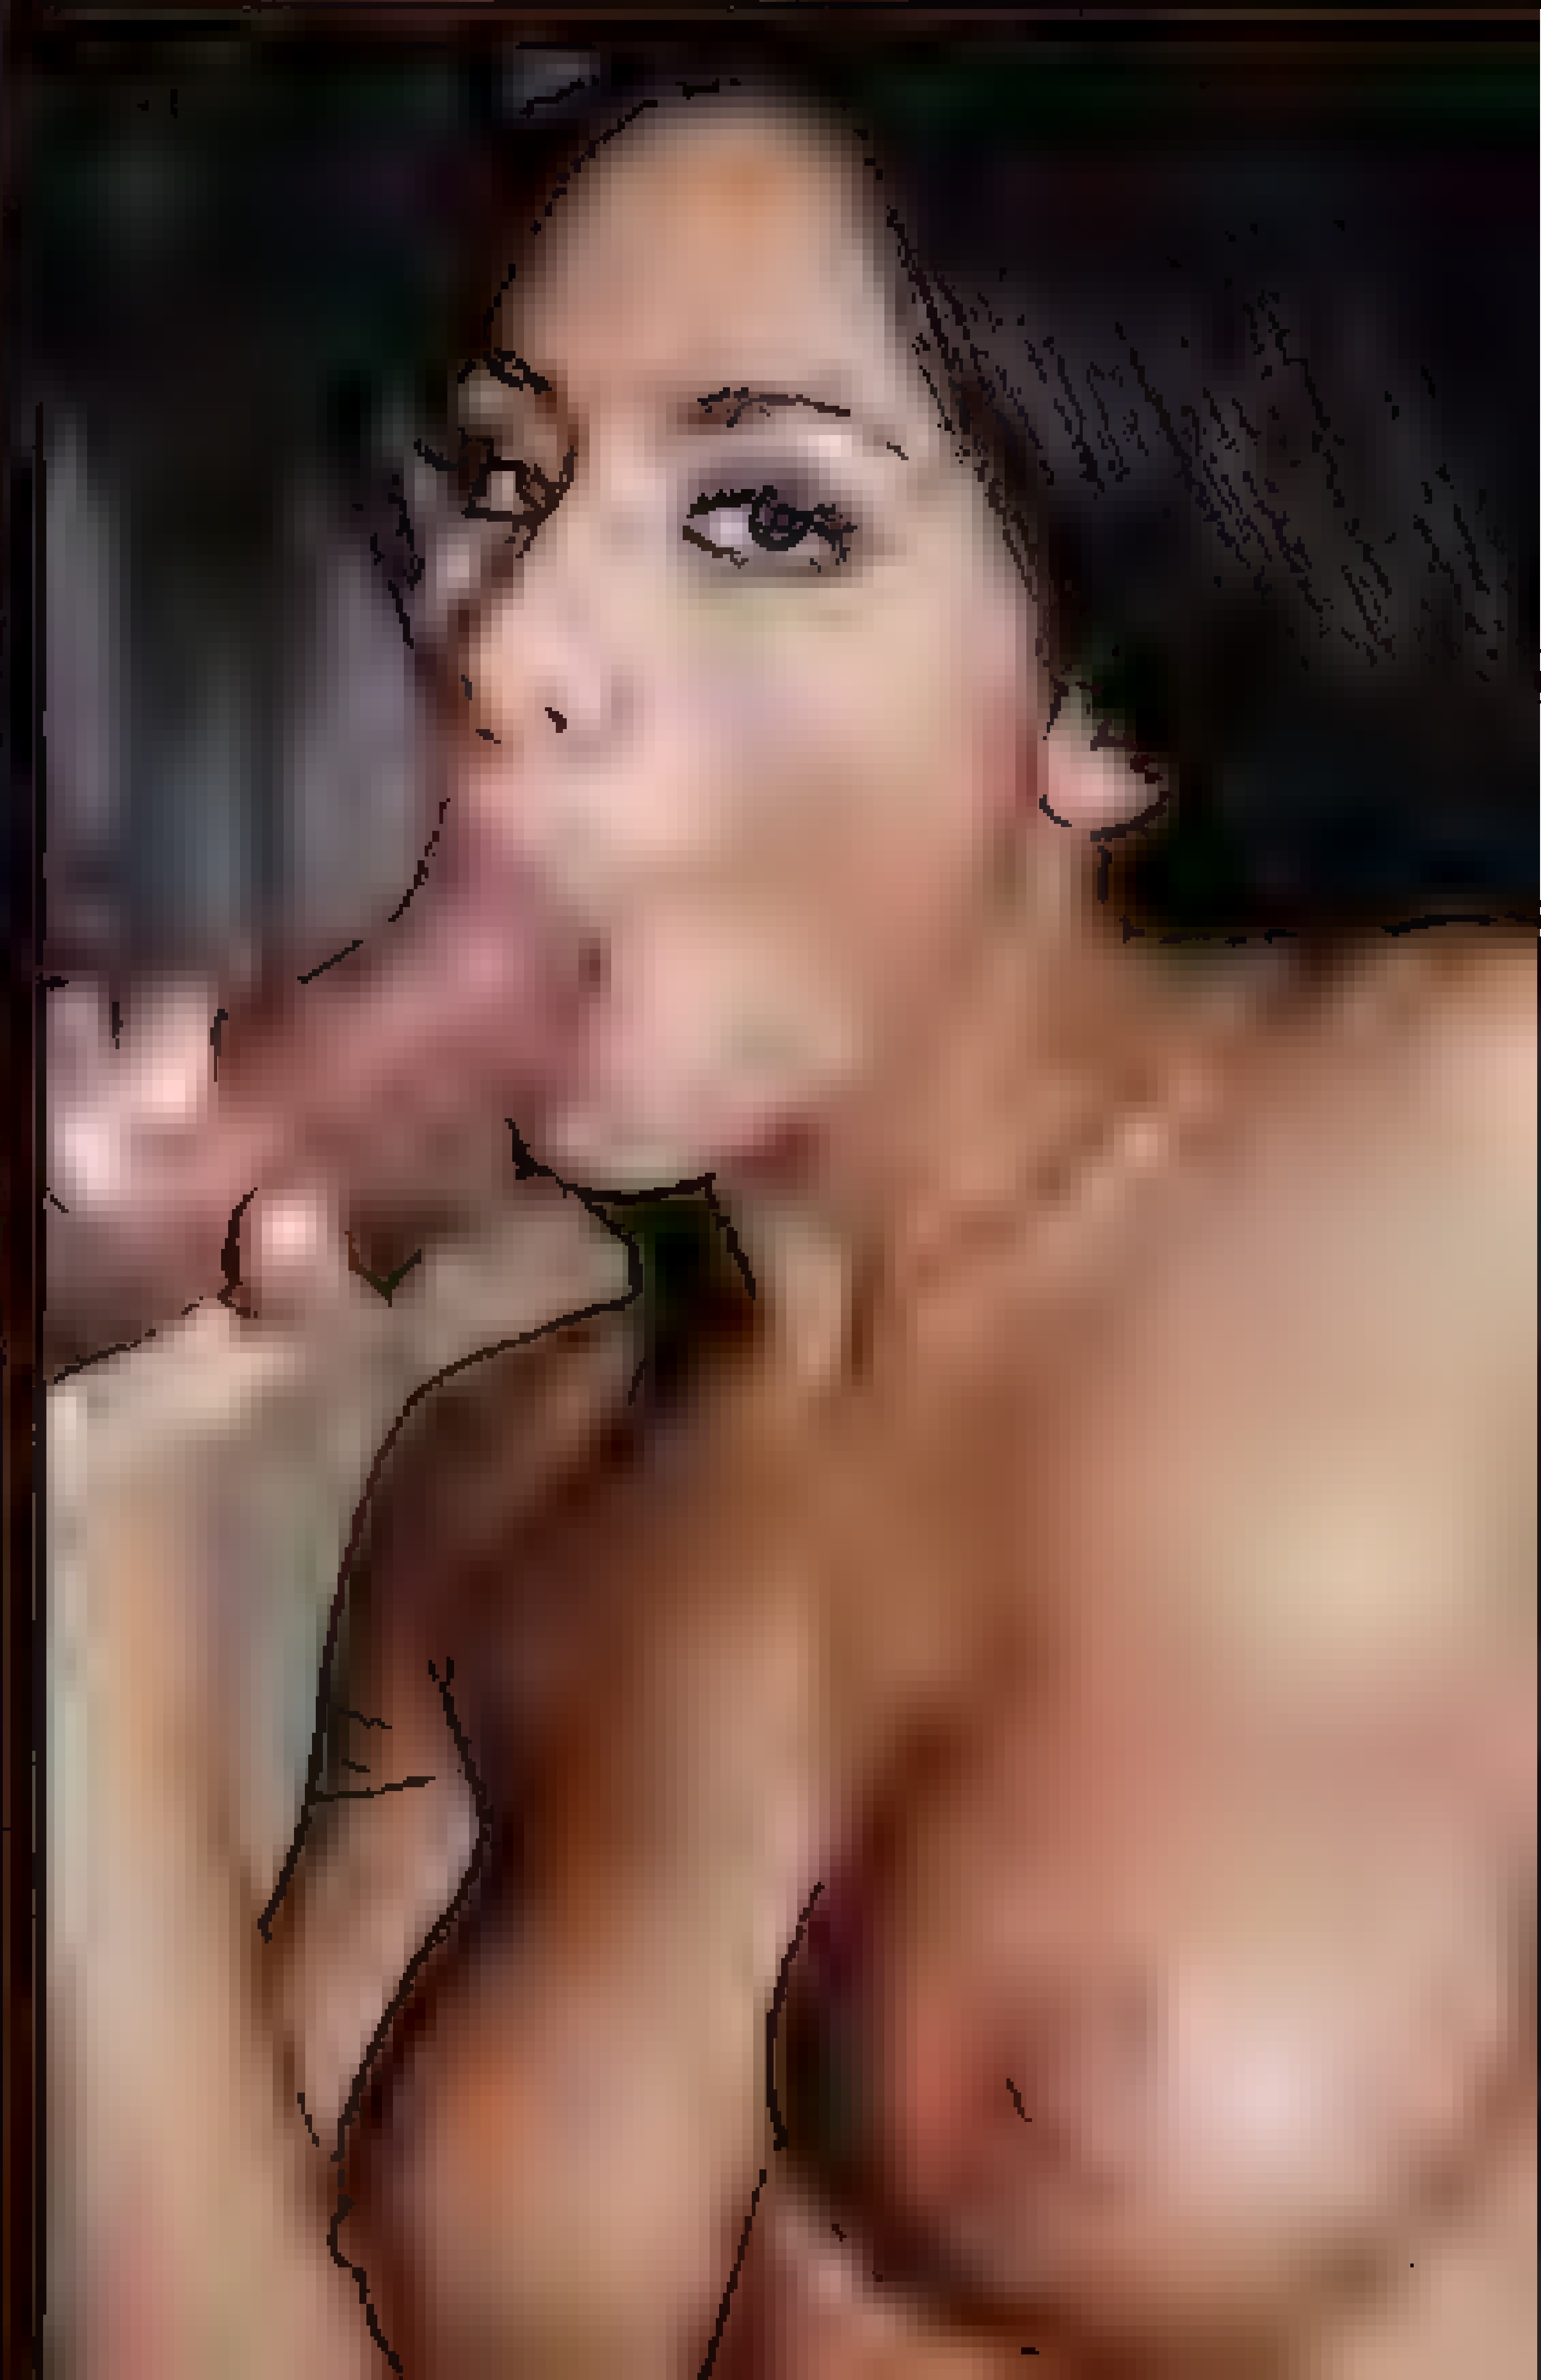

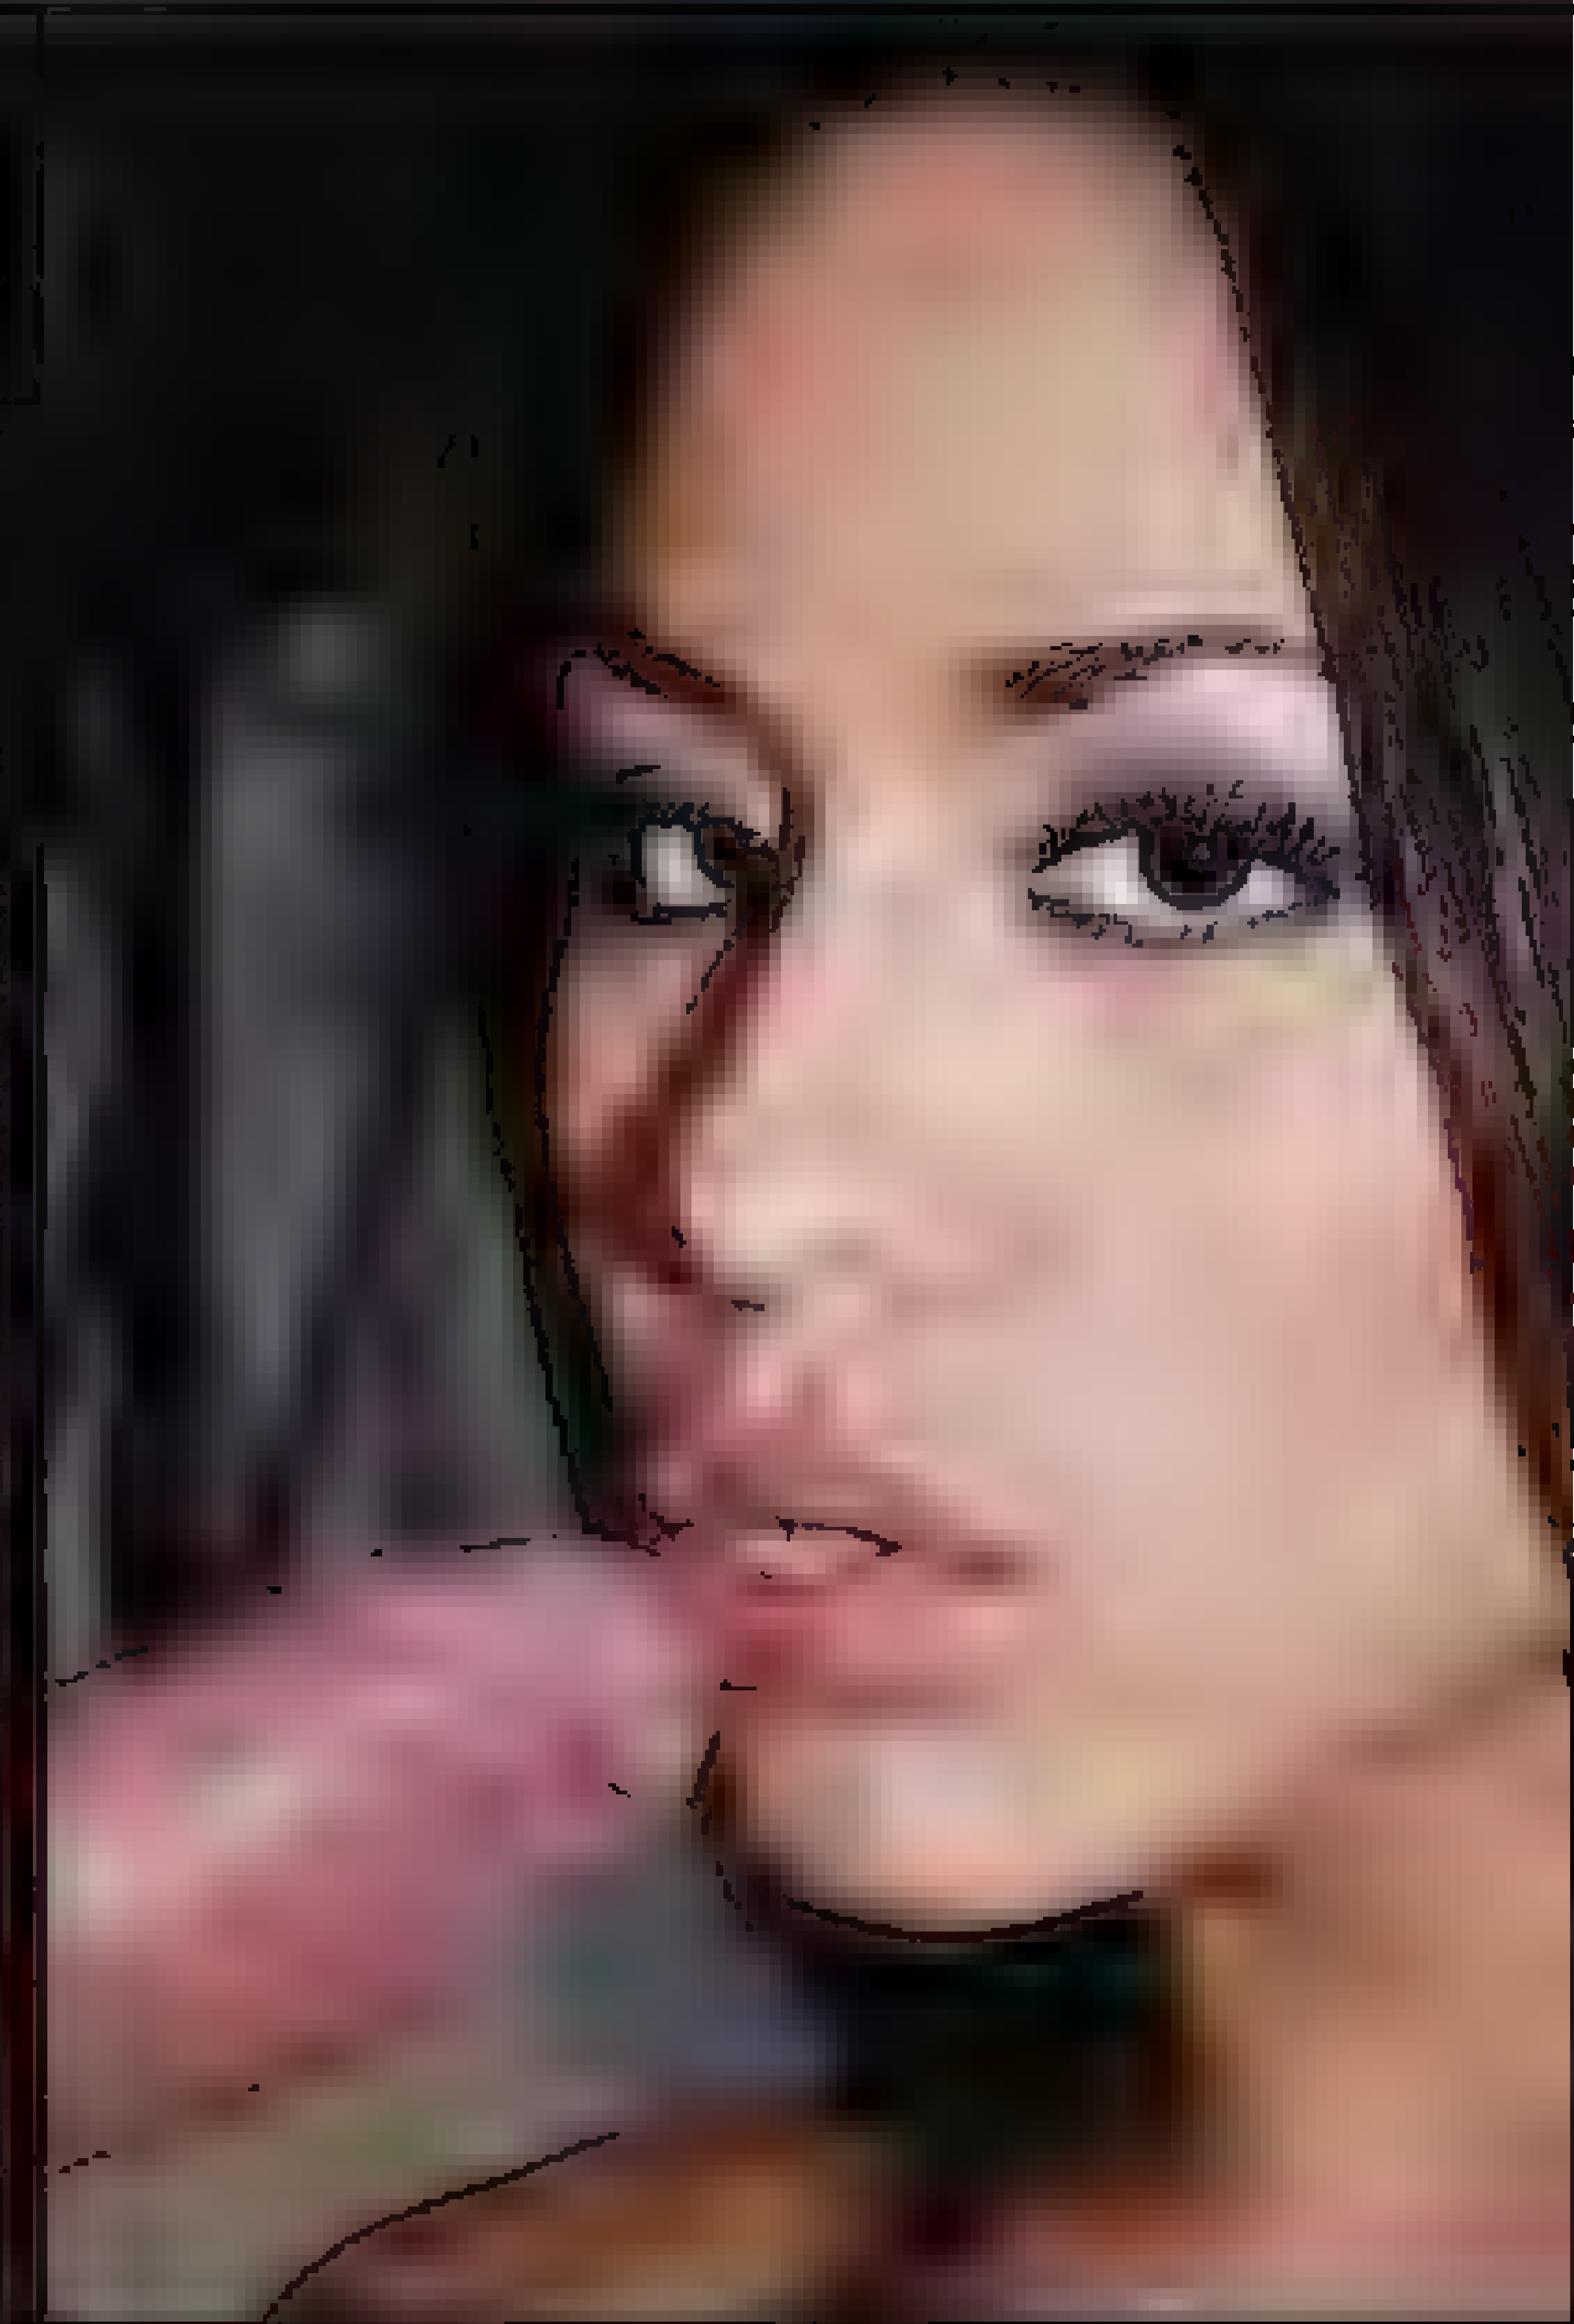

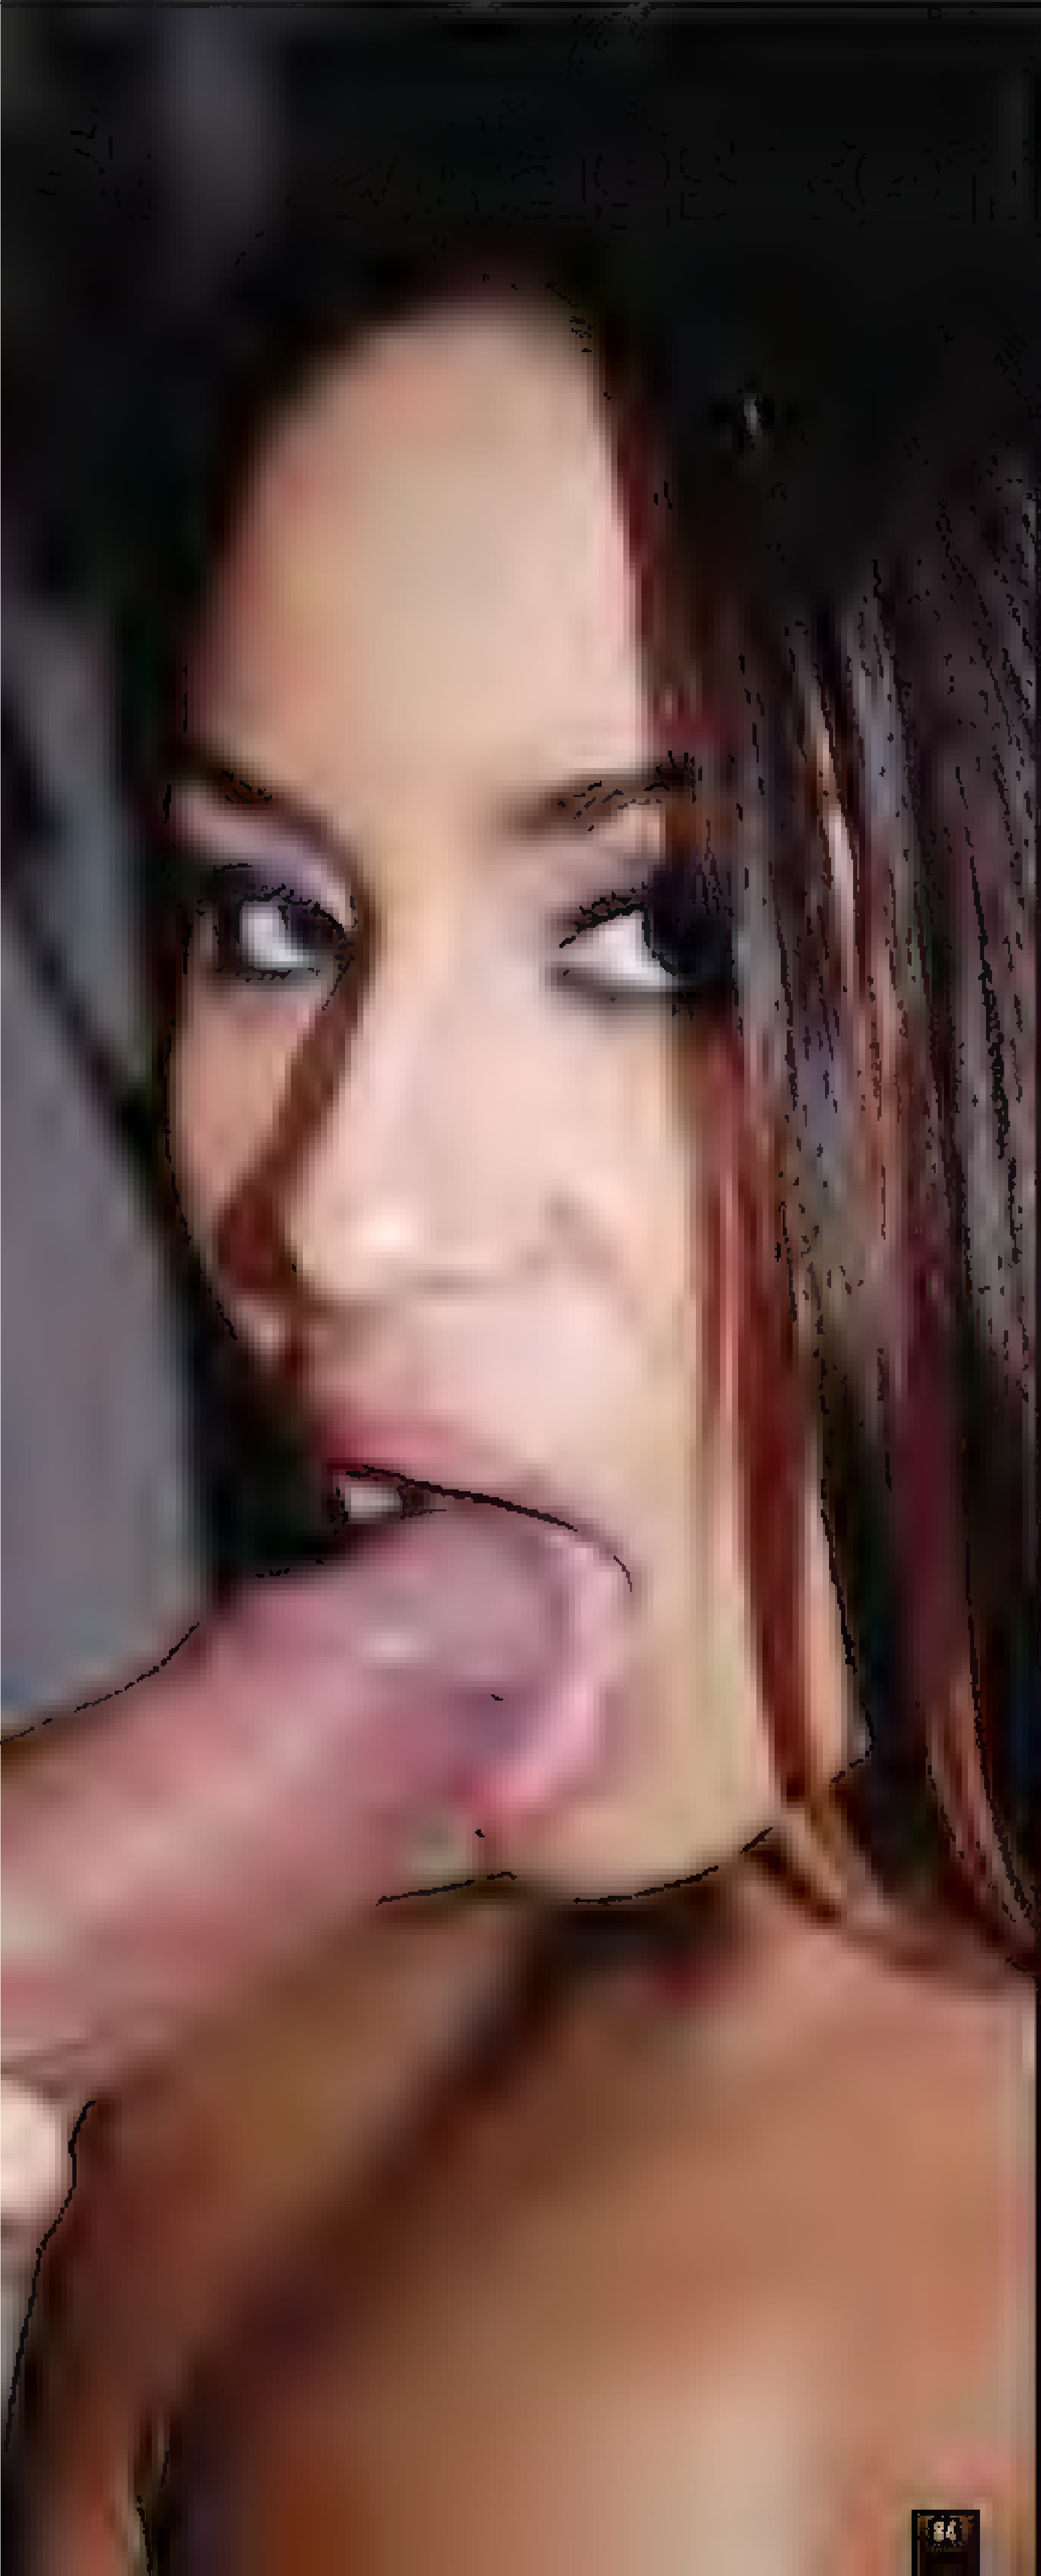

# *Latina Turns On The Heat*

Jenavive knew that she was just about the hottest thing around and she used this to her advantage. She's not really into material goods although she does like the presents her lovers bring her. No, Jenavive simply loves being the object of men's desires and loves the anticipation leading up to taking on a new lover, almost as much as the sex itself. We say almost because she sure does love getting fucked.

Is it any wonder that Jennifer  
has men begging just to get a  
sniff of her pussy? Te power is a  
great aphrodisiac.

She knows that she can make any  
man do what she wants especially  
when his cock is in her mouth.
